Queen Anne

## Where nothing comes as standard

Queen Anne's interiors take inspiration from our past to define a striking new design direction for our future.

Luxury hotels. High-end yachts. Private grand residences. Fittingly, it's spaces like these that make up the portfolios of our designers' work. Having been immersed in the Cunard archives, the team have achieved something remarkable.

They've soaked Queen Anne in a thought-provoking and contemporary style, while staying true to the Cunard brand. A walk along her interiors reveals beautiful art deco finishes.

Reinterpreted fashions of the past. New and considered fine touches.

It's in the details, from every expertly crafted chair to the stories behind each piece of art on the walls. Descend into the Grand Lobby and feel every bit the hero of your own story. Notice as your Gala Evening gown catches a glint of sparkling lighting. Maybe you'd prefer a more casual evening, sinking into an inviting wingback chair you may find it difficult to leave. As always with Cunard, the choice is yours.

## And then to dinner

From elegant multi-course meals to tasty pub fare, on Queen Anne there's more choice than ever, with options for even the most selective diners.

An ever-changing menu in your main restaurant. Healthy options at The Pavilion Wellness Café. What seems like an endless range of dishes at the Artisans' Foodhall. And these are just the options included in your fare. Not forgetting round-the-clock room service, and pub lunches at the Golden Lion, where you can enjoy a host of British classics, washed down perfectly with a signature Cunard ale. It'd be rude not to.

For an extra special night or two on board, why not choose one of the speciality restaurants? You could book a table at Aji Wa and breathe in the aroma of spices seeping out from under bamboo lids, or head to Sir Samuel's Steakhouse & Grill for a cut that's been seared to perfection, or a generous platter of seafood. Enjoy tastes from all over the world, from sun-kissed Mediterranean fare to the rich and complex spice blends of Indian cuisine.

Whatever you choose, delight in fine, flavoursome cuisine without compromise.

\*Additional charges may apply to some dining options.

## A whole new world of flavour

Do you dream of warm nights in the Mediterranean, feasting on fish that tastes as if it had been plucked from the sea that morning? Or hand-rolled sushi dipped in just a whisper of wasabi? Fine dining or informal. Lunchtime or late. Indulge in the signature flavours from the destinations you love with alternative dining venues on board Queen Anne.

### Aranya

Warm papadams dipped into fruity chutneys. Delicately spiced sauces that flood your palate with flavour. Fluffy rice, perfumed with fragrant cardamon. Dining at Aranya is a chance to take your taste buds on a tour of India's spice regions. Travel through Goan beaches, Kerala countryside, and Delhi bazaars, and let our chefs surprise you with playful interpretations of classic Indian flavours.

### Golden Lion

With real ales on tap and legendary Bloody Marys, Queen Anne's Golden Lion may soon become your new favourite local. Slide into the leather banquettes. Pull up a stall at the bar. And feel instantly at home, with rustic but refined pub favourites, reimagined by Michelin-starred chef Michel Roux.

### Sir Samuel's Steakhouse & Grill

Steaks as marbled as the sun-streaked sky. Fruit de mer platters infused with flavours of the sea. Dover sole delicately deboned at your table. Sir Samuel's is a culinary coupling of land and sea, where low lighting and velvety textures invite you to linger late into the evening and nothing (least of all the ingredients) comes as standard.

\*Additional charges may apply to some dining options.

### Tramonto

Sun-soaked flavours. Sparkling sea views. Find yourself transported to summer nights in Sorrento, Sardinia, and Sicily at Tramonto. Savour signature Mediterranean flavours. Sip locally sourced wines. Dine al fresco on the terrace. And feel the warmth of the Mediterranean wherever you are in the world.

### Aji Wa

The hissing sizzling woks. The zing of wasabi. Spices escaping from beneath bamboo lids. Welcome to Aji Wa – a fresh take on Japanese dining and a first for Cunard. Dine on fluffy bao buns and slithers of sashimi. Experience Japanese hospitality at its best. And discover an ever-evolving menu with dishes that ebb and flow with the season.

Britannia Stateroom, Queen Anne

## World-class comfort

A welcome drink to help ease you into your holiday. Sumptuous cotton sheets. Soft bathrobes. A nightly turndown service. You'll soon find it's easy to get used to.

Enjoy all sorts of signature touches in each suite or stateroom, from fresh Penhaligon's toiletries, to cocktails curated in your own personal bar in a Queens Grill Suite.

This is the part of the ship you can well and truly call your own. Drift into a sense of ease, knowing that at any time of day you can return, settle in, and put your feet up for as long as you like. Pick up your holiday read. Relax in bed with a movie (or two). Why not treat yourself to a little room service?

On Queen Anne, know that all the finer details have been taken care of. All you need to do is rest easy and spend time doing whatever it is that you'd like to do, as you sail on to the next destination.

## When all the ship's a stage

With unexpected theatre like nothing else at sea, find yourself transported into another world again and again with Cunard Showcases.

When you sail with Cunard, your onboard entertainment isn't only confined to the Royal Court Theatre. We also like to immerse you in the action, with our ships setting the stage for some of the most unique productions at sea.

That's why, on selected voyages, you'll find performances of a more intimate nature, delivered in places you probably wouldn't expect. We call it Cunard Showcases because that's exactly what it is: a celebration of live performance, showcased through extraordinary experiences.

Powerful dramas. Interactive theatre. Multisensory dining. This eclectic entertainment programme is the first of its kind at sea. Become utterly absorbed in a murder mystery dinner. Enjoy the impromptu acoustics of an operatic flash mob.

Be left speechless by incredible dance and physical performances you'll never forget.

## Sustainability at Cunard

### Looking after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around six key focus areas.

## Protecting the environment

### Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low-carbon or zero-carbon emission technologies, developing and installing advanced air-quality systems and partnering with organisations and stakeholders to support our decarbonisation efforts.

### Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste.

## Partnering with our destinations and communities

### More sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history and natural resources.

### Biodiversity and conservation

Our efforts are focused on taking responsibility to minimise our impact by implementing best practice across our operations, building partnerships with experts, and investing in programmes to support biodiversity and conservation.

## Investing in people

### Good health and well-being

Our employees are at the heart of our operation, and we are working on expanding our well-being programmes to support their physical and mental health, encourage social connectivity with family and friends and promote a balanced lifestyle.

### Diversity, equity, and inclusion

Our success depends on the diversity, talent and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

Amalfi Coast, Italy

## The Mediterranean, Iberia, Atlantic Coast and Canary Islands, by Cunard

From Rome's ancient buildings to Istanbul's bustling bazaars. Barcelona's tapas bars, Santorini's blue domes and the Azure Coves at The Canary Islands. Every port on a Mediterranean voyage unlocks the door to a whole new adventure.

Home to some of the world's oldest cities (many of which date back thousands of years) the Mediterranean is a fascinating region to explore. Its beaches are some of Europe's finest. A blend of quiet coves and golden sands, lapped by azure waters. Then there's the region's famed cuisine, where even the humblest of ingredient is imbued with flavour.

Join in Barcelona or begin your exploration from Istanbul, Trieste, or Civitavecchia; gateway to Rome and the Renaissance masterpieces of the Sistine Chapel. Selected voyages take you on a transit of the Messina Strait. Others offer you an overnight in Istanbul, with its stately squares and iconic Blue Mosque.

Salerno, just south of Naples, is the perfect place to savour a taste of 'La Dolce Vita'. Or perhaps you'd prefer Kotor, Montenegro's charmingly historic capital.

Gaudi's Sagrada Familia is waiting to wow you in Barcelona. Pearl of the Adriatic, Dubrovnik, introduces vistas peppered with terracotta rooftops. Then there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where whitewashed buildings spill down flower-covered cliffs.

Let your senses be captivated on an Iberian odyssey, island hop in the Canary Islands or discover the Atlantic coast and North Africa's many remarkable sights.

## Northern Europe and British Isles, by Cunard

Pristine scenery. Strikingly beautiful cities. Fascinating contrasts. A voyage to Europe's northernmost nations offers all the ingredients for a magical holiday.

Perhaps you'll journey to Iceland, home to the Blue Lagoon and the geysers of the Golden Circle.

Both can be reached on a tour from Reykjavik, where selected voyages call overnight. It's also here that you'll find the famous Hallgrímskirkja Church, one of Iceland's most recognisable buildings.

In Norway, a region where nature pulls out all the stops, mirror-like fjords pave the way for all kinds of adventures.

Depending on how far north you sail and the timing of your visit, you could experience the Midnight Sun or even the Northern Lights (overnights in Narvik and Tromsø are perfect for this). Selected 2026 voyages call in Molde and Skjolden. Others offer you the chance to step ashore in Bodø, taking you just north of the Arctic circle.

Further Northern European treasures await in the Scandinavian territories of Sweden, Finland, and Denmark, all of which Queen Anne will visit in 2026. These voyages, many sailing roundtrip from Southampton, invite you to explore the likes of Copenhagen, Helsinki, Stockholm, and Visby. Estonia's historic capital, Tallinn, with its UNESCO-inscribed old town, also makes an appearance.

Of course, we couldn't talk about Northern Europe without mentioning the British Isles. From the highlands of Scotland to the emerald shores of Ireland and Cunard's spiritual home of Liverpool, a voyage on a Cunard Queen is the perfect way to experience it all.

## The Transatlantic Crossing, by Cunard

There's nothing quite like a Transatlantic Crossing on one of our Queens. Switch off. Indulge. Be entertained. All while watching one of the world's mightiest oceans sail past your window.

Crossing the Atlantic on a Cunard Queen is a welcome opportunity to leave the everyday behind and immerse yourself in the world on board. Best of all, it offers you the freedom to spend each day and night on board however you please. Now isn't that enticing?

Perhaps you'll choose to indulge in our famous Afternoon Tea, served daily in the Queens Room by a symphony of white gloved waiters. Or a flight of Cunard ales in the Golden Lion pub, while putting your general knowledge to the test in a quiz. You could discover the secrets of our universe from your velvety seat in Queen Mary 2's planetarium, sharpen your sword skills in a fencing class, or join an esteemed guest speaker for a fascinating Insights Talk.

Many Transatlantic Crossings sail directly between New York and Southampton, either one-way or roundtrip. Selected sailings depart from Le Havre or Hamburg.

## Alaska, by Cunard

From the rainforests of Icy Strait Point to the compact charms of Skagway, a voyage through Alaska is an experience that will stay with you always.

Enjoy a blend of onshore exploration, coupled with scenic cruising through some of Alaska's largest tidewater icefields – the sheer scale of which will amaze you.

Explore frontier-style towns, sprung from the Klondike gold rush, and glacier-studded fjords, such as Endicott Arm and Glacier Bay National Park.

2024 Alaska voyages sail from Vancouver, whilst those departing in 2025 sail from Seattle. Whichever embarkation point you choose, you'll find a range of signature experiences to elevate your voyage.

Naturalists narrating the scenery. Cultural Heritage Guides revealing insights about Alaska's history. Performers providing native entertainment. It's all part of the Cunard in Alaska experience.

An Ice White Ball on Gala Evenings offers yet another highlight. So too does our chef's Alaska inspired take on Afternoon Tea – the perfect treat after a day exploring. Or perhaps you'll choose to dine at Frontier, our speciality Alaska restaurant, where ingredients of local provenance take centre stage.

Port calls offer a chance to further immerse yourself in this otherworldly land, with Juneau presenting expeditions to see orcas, and Ketchikan harbouring the world's largest collection of totem poles. Then there's Icy Strait Point, nestled at the base of White Alice Mountain, delivering you just a stone's throw from Alaska's largest Tlingit village, Hoonah.

### Onboard highlights

A Cunard voyage in Alaska doesn't just have incredible scenery and experiences ashore. With carefully curated menus and Alaskan themed entertainment the onboard experience is just as special.

Feast on seafood plucked freshly from the ocean depths. Experience Alaska's best-kept culinary secrets with live cooking demonstrations. Sip local craft beer, or take a special cocktail flight.

During Alaska's long summer nights, Queen Elizabeth fills its social calendar with wonderful options including the ever elegant Ice White Ball. The spectacle of Queen Elizabeth decorated in pristine white is something to behold. As you glide through the ship in your Gala Evening finery, enjoy elegant ice sculptures and floral arrangements before settling down to a unique gala menu full of sublime Alaska-inspired signature dishes.

## USA and Canada, by Cunard

From the sophistication of New York to the old-world charm of Quebec, some of North America's greatest treasures await discovery on our unforgettable USA and Canada voyages.

An overnight call in New York means spending days exploring Manhattan's iconic neighbourhoods, art galleries, and world-class boutiques.

Further north, discover Boston's pivotal role in the American Revolution along the famous Freedom Trail. Overnight stays in Harvard's storied hometown provides the opportunity to sample Boston's night-time delights too.

Explore more of New England and discover a taste of coastal life in picturesque Newport, renowned for its Gilded Age mansions and yachting heritage. Cross into Canada's beautiful Atlantic provinces like Nova Scotia to uncover the vast, untamed wildernesses that surround Halifax and Sydney.

As you venture further, come face to face with Québec's only Fjord, the jaw-dropping Saguenay Fjord. This natural wonder offers bountiful whale watching from the decks of your Cunard Queen, as you sail past quaint riverside hamlets. Nearby Sept-Îles stuns with its rugged scenery and rich native Innu traditions.

Of course, a highlight of any Canadian voyage is a call in historic Québec City, where the magical old walled UNESCO site feels like stepping back in time. With ample luxuries on board to revel in, indulge your senses on Cunard's Queens as you uncover North America's diverse landscapes, culture, and history.

## Frequently asked questions

### Before you sail

#### Ask Cunard

Whether you're new to cruising or a seasoned expert, Ask Cunard is here to help. You will find answers to the most popular questions. If you're unable to find what you're looking for within these pages visit: [cunard.com/en-au/frequently-asked-questions](http://cunard.com/en-au/frequently-asked-questions) for a wealth of information.

#### What's included in my fare?

See page 38 and 116 for details.

#### Do I need a passport, visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to or from. For domestic cruises departing an Australian port that do not visit an international port, and for domestic cruises departing a New Zealand port that do not visit an international port, a valid passport or government issued photo identification is required. As requirements are subject to change, we recommend checking our website regularly for any updates.

#### Do I need to take out travel insurance?

We strongly recommend you purchase appropriate international travel insurance, even for domestic voyages at the time you pay your deposit for any Cunard voyage. If you do not purchase travel insurance you may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

Australian Medicare, New Zealand ACC and private health insurance will not cover you for any medical costs on board, even on Australia and New Zealand cruises.

#### If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. You might want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes, social meet ups and quizzes are a great way to make new friends.

#### What do I wear on board during the day?

You'll need to pack a range of summer or warmer clothes, depending on your itinerary and the time of year you travel. On board during the day, you'll probably find yourself most comfortable in stylish casual wear, including shorts and smart jeans. Swimming costumes, micro shorts, sarongs, and gym wear should be reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any enclosed areas.

#### Is there a dress code on board?

During the day, relaxed dress is welcomed in all areas around the ship. The only exception is Afternoon Tea, when we kindly request smart casual attire to be worn. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants, and entertainment venues.

On our much-anticipated Gala Evenings, we invite you to dress to impress and celebrate with us. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.

Please refer to your Daily Programme on board for more information.

#### Smart Attire

From 6.00pm on board, we ask that you wear smart attire. This means smart collared shirts, evening tops, trousers, skirts, and dresses. Jackets are optional.

#### Gala Evenings

From 6.00pm, we invite you to dress to impress. Eveningwear of dinner jackets, tuxedos, dark suits with regular or bow ties, floor length dresses, cocktail dresses, smart trouser suits, or formal separates are all welcome.

#### Relax

Feel free to dress casually as you visit any of the following venues: Lido, Kings Court, Artisans' Foodhall, Carinthia Lounge, Winter Garden, Garden Lounge, The Pavilion, Yacht Club, Golden Lion, Bright Lights Society, and G32.

For wardrobe inspiration please see pages 142–143 or visit: [cunard.com/en-au/the-cunard-experience/what-to-pack](http://cunard.com/en-au/the-cunard-experience/what-to-pack).

#### How many Gala Evenings will be on my cruise?

As a guide, there are two Gala Evenings per week. Only in respect of your main dining arrangements. On all ships your accommodation is paired with a specific restaurant. Please see page 117 for details.

#### What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 – pages 117, 118–122

Queen Victoria – pages 117, 128–132

Queen Elizabeth – pages 117, 123–127

Queen Anne – pages 117, 132–137

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midship). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts, or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic way to watch the ever-changing views.

#### What is a hotel and dining service charge?

During your voyage, you will meet many members of our team who will provide excellent service all over the ship. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account. Every dollar collected will be shared among all those people who help provide and support your voyage experience, including the restaurant and buffet waiters, your stateroom steward, and accommodation personnel. For the latest information regarding service charges, visit [cunard.com/service-charges](http://cunard.com/service-charges)

Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

Bar, wine, casino, and spa personnel do not share in the hotel and dining service charge as not all guests use these services.

#### What is the currency on board and how do I pay for items I buy?

The currency on board all our ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage card. Our ships do not accept cash, except at the Purser's Office for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted onto your account you will need to register your credit card via online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash, please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling US\$9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

#### How do I register my credit card?

You will be able to register your credit card via our online check-in website, My Cunard or before boarding the ship in the terminal. All credit card details are encrypted.

We accept the following major cards, Visa Credit, Visa Debit, MasterCard, American Express, Diners Club, and Discover. We are unable to accept Solo, Maestro, Switch, Monzo, Revolut, and any pre-paid or multi-currency credit cards.

#### How can I avoid issues with my credit card?

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

When you register a credit or debit card to cover your on board spending, an amount of US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured US\$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 26 nights your credit card will be charged during the voyage for the spend to date, and again at the end of the voyage for the remaining spend. You will be notified of the date your card will be charged shortly after you embark. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. This particularly happens if you register a different card during your cruise. You may therefore want to contact your card provider on your return to release these authorisations.

#### When will I receive my boarding pass and itinerary information?

Approximately 21 days prior to your departure date, your electronic documentation will be available through My Cunard at [cunard.com](http://cunard.com). This includes information relating to any hotel stays or land tours booked.

#### How will I know which Shore Experiences are available?

##### Booking online

Shore Experiences will be available to book on My Cunard, and will require payment in full at the time of booking. This method of booking gives you the best chance at getting your first choice of experiences before spaces run out. Please note that you can only book Shore Experiences online up until three days prior to departure. Login to My Cunard at [mycunard.com](http://mycunard.com) to explore the latest availability.

##### Booking on board

You may book Shore Experiences on board, which will be charged to your on board account, to be settled at the end of your voyage. The cancellation deadline is 48 hours prior to each port. Tour tickets, once booked, are subject to a 10% cancellation fee if returned to the Tour Office prior to the deadline.

Tour tickets returned within 48 hours of arrival in port are subject to a 100% cancellation fee.

#### What if I feel seasick?

Don't worry – your ship's medical team is always on hand with a remedy. Seasickness is best countered with an injection or tablets, which should soon have you feeling well again and settle you for the duration of your stay on board. Charges apply for all visits to the Medical Centre and for the services and medication provided.

#### Is there enough to do during days at sea?

Yes, plenty. You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes, to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening the next day.

#### Is there a spa and salon on board?

All our ships feature Mareel Wellness & Beauty. Taking inspiration from the oceans on which our ships sail to indulge mind, body, and soul. We invite you to relax, and enjoy renewed energy, coupled with

improved health and appearance with comprehensive spa, beauty, and fitness facilities on board.

For details of the spa services available on board please visit My Cunard at [cunard.com](http://cunard.com).

#### Can I travel when pregnant?

Pregnant guests can travel with us up to the 24th week of pregnancy. If you will enter the 24th week of your pregnancy at any point during your voyage (i.e. you are 23 weeks + 1 day or more at any point in the cruise) unfortunately you won't be permitted to travel with us. If you require further information then please call us.

### Accessibility

We take pride in being inclusive and want to make sure we get it right. Each week, we welcome among our guests those with disabilities and health conditions.

When booking your voyage you must inform us of any mobility or accessibility requirements using our On Board Needs Questionnaire which is available in My Cunard at [mycunard.com](http://mycunard.com). This is still the case even if a carer or companion will be supporting you during your time on board. Failure to notify us of these requirements may result in you being denied boarding at your own expense at the cruise terminal.

#### Mobility Equipment

Any guest who is a full-time wheelchair or mobility scooter user or requires the use of their device inside their stateroom, must be booked into an accessible stateroom or selected suite that provides the space and features required to suit guest's needs. If you tell us (on your On Board Needs Questionnaire) that you will be bringing mobility equipment and the stateroom you have chosen is not a fully accessible stateroom or selected suite, there may be insufficient room to manoeuvre your mobility aid. Therefore, we may need to contact you to discuss other stateroom options. Non-accessible staterooms are suitable for part-time wheelchair users who do not need their wheelchair to move around the room. Please note access to the ensuite is via a raised threshold and a step is required to enter the bath/shower. We are unable to accept mobility scooters in these staterooms, with the exception of selected suites. Unfortunately, we no longer provide wheelchair rental services on board. Each guest who requires a wheelchair is responsible for making their own arrangements prior to the voyage.

Please visit My Cunard for more information and, if necessary, to complete the questionnaire or provide a new one if your situation has changed.

#### For up to date information regarding accessibility and mobility needs please visit our website.

**Before making a booking, please familiarise yourself with clause 10 of the booking and passage conditions in this brochure (see pages 144-149).**

#### Booking Assistance - Why do I need to complete an Accessibility and Medical Questionnaire for every cruise?

We require a questionnaire to be completed for each cruise you travel on to ensure that we have the most accurate and up-to-date information. We understand circumstance can change therefore it is important for this to be completed.

#### Requesting wheelchair assistance

We would kindly request that you let us know in advance if you require assistance by completing an On Board Needs Questionnaire. Guests will be asked to wait in turn for assistance to embark and disembark the ship and given the number of requests made for assistance your allotted time may differ. Wheelchair assistance is only available in selected ports.

If you are requesting assistance to embark the ship then you will also be required to book assistance in the event of an emergency.

#### Adapted Staterooms - Can an able bodied guest book an accessible cabin?

Accessible cabins can only be booked by guests who have a requirement for the adapted facilities. For example, this may be a need for a walk in shower and grab rails in the bathroom, or larger floor space to manoeuvre a wheelchair or safely store a mobility scooter.

If accessible cabins are available within 21 days of a departure, they can be offered for general sale and available for all guests to book.

#### Can I book an adapted cabin if I have a disability that does not require the use of a wheelchair or mobility scooter?

Any guest who has a requirement for the facilities is welcome to book an accessible cabin. Examples of this could be a wet room with no steps or a larger floor space to store a mobility scooter or manoeuvre in a wheelchair. Guests who do not require the use of the facilities should not book an accessible cabin.

If a guest books into an accessible cabin without a need for any of the adapted facilities, we reserve the right to request that the guest moves. This may be at additional cost if moved to a cabin in a higher category.

#### Do you cater for children with disabilities in the children's clubs?

We encourage all children to use our fantastic children's facilities, but we are unable to provide one-on-one support or care. If the child requires such assistance, a parent or carer will need to be present with them at all times.

If your child has a disability and would like to take part in our activity programme, please ensure you provide a full account of your child's needs when registering your child and speak with our Youth Team to arrange a chat with our Youth Manager when on board. We can then do our best to make sure they have a fun and safe holiday.

#### Getting ashore

When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at some ports of call. Staff will be able to provide wheelchair or arm assistance from the top to the bottom of the gangway, only where safe to do so. Guests must make their own way to/from the terminal/shuttle bus/tour buses etc. Please note if your Shore Experiences are operated by minibus, there will be no storage space for mobility scooters or wheelchairs. We are unable to offer wheelchair access to go ashore in tender ports. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle, Lisbon, Zeebrugge, Malaga, Cadiz, Madeira, Rotterdam, Hamburg, Boston, Halifax, Portland, Québec, and San Francisco. This policy is in the interest of guest safety.

#### Planning and availability

Our Shore Experience descriptions set out to offer practical advice based upon our operating practice. You can find the full range of Shore Experiences on My Cunard, by logging in once you have booked your voyage using your booking reference. We would strongly advise you to read the descriptions to make sure that your chosen experience is suitable for your personal requirements.

We use our best efforts to obtain appropriate transport, although it is not always possible for us to secure fully accessible vehicles. Please note that – due to applicable safety requirements, the design of the ship, or port infrastructure and equipment – in certain ports of call, it may not be possible for us to offer a Shore Experience programme suitable for guests who are not able to board a coach via the steps. Please be aware that in consideration of health and safety, tour providers/coach operators reserve the right to refuse carriage to any guest who is unable to negotiate the steps of the coach independently\*. Taxis are usually available for hire close to the ship's berth, should guests wish to travel independently. For further information, please email us at [accessibility@carnivalukgroup.com](mailto:accessibility@carnivalukgroup.com)

\*This does not apply to lift coaches for full-time wheelchair users.

#### Can I change my holiday after booking?

Please see Booking Conditions clauses 17 and 18 on page 146–147.

(ii) **Shore Experience bookings made on board**

If you wish to cancel your Shore Experience before the cancellation deadline (generally 48 hours prior to the arrival in port) you should return your tickets to the Tour Office, where a 10% cancellation fee will be applied to your on board account. We regret that we are unable to refund the cost of experiences booked on board that are cancelled by guests after the cancellation deadline.

**Your Shore Experiences team**

With a dedicated team on board, you can book or discuss Shore Experiences throughout your voyage. Knowledgeable and well-experienced, they can recommend tours, answer questions, and take care of all the details for you.

**Local expert guides**

All Cunard guides possess a wealth of local knowledge. By sharing their expert insights, you'll get a more thorough understanding of the destinations you visit, and find your experiences more rewarding and inspiring.

**What are anchor ports and possible anchor ports?**

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol <sup>^</sup> or <sup>⌘</sup>. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers. In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. If you use a wheelchair or a mobility scooter, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/mobility scooter and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or mobility scooter weighs more than 20kg.

**Is the port always the main destination?**

Usually, although there are some exceptions where the main places of interest are not on the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown with the port in brackets, i.e. Rome (from Civitavecchia). At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service, or a city transfer service.

With Cunard Fares, shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

**Can I get foreign currency on board?**

You may exchange your money into local currency for most ports of call, however there are certain ports for which the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit card registered, or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (US\$500 per day with a maximum US\$2,500 per seven consecutive days, and a maximum of US\$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or traveller's cheques. We are also unable to accept €500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of US\$500; a US\$2,500 limit per seven consecutive days; and a US\$10,000 limit per 30 consecutive days; against a registered credit card.

**The Play Zone**

The Play Zone is a permanently supervised play area for 2\*-7 year olds on all ships. The Play Zone is a bright, vibrant, and fun environment, complete with an outdoor play area, an arts and crafts corner, and a carpeted section for building blocks and other toys, as well as tables for puzzles and board games. Other activities will include theme days, activities, arts and crafts, and circle games.

Opening times will be notified on board.

<sup>\*</sup>Infants aged between 6 months and 2 years are welcome to participate in The Play Zone with parental supervision on ships where there is not a designated space for parents/guardians and their under 2 year olds.

**The Kids Zone**

Permanently supervised by our Youth Team, The Kids Zone on board is designed for 8–12 year olds.

A relaxing and sociable retreat, The Kids Zone provides games and activities intended for older children, such as gaming consoles, plus sports competitions, arts and crafts, and karaoke.

Opening times will be notified on board.

**The Teen Zone**

The Teen Zone is a programme for 13–17 year olds. Activities may include table tennis tournaments, deck sports, discos, quizzes, plus much more to keep our younger guests occupied for the whole holiday. Opening times will be notified on board.

The exact age groupings for older children will depend on the number of children travelling on any particular voyage.

Please note that at least one parent or guardian must remain on board with your child at all times.

**Night Nursery**

On selected voyages we offer a night nursery for children aged 6–23 months, which is available from 6.00pm–11.00pm. We will give you a pager should we need to contact you. The night nursery is free of charge and is offered on a first come, first served basis.

## On Shore

**How long will I be in port?**

Unless stated otherwise, the ship will be in port for a full day. This means the call will be a minimum of 7½ hours and a maximum of 11 hours. Some ports of call are for a half day, which will usually be a minimum of four hours and a maximum of seven hours. Times will vary according to the cruise and port. Late evening departures, shown with an <sup>LE</sup> on the itinerary, will leave port on or after 9.00pm. In addition, some voyages include an overnight stay in port, shown with an <sup>O</sup> on the itinerary, which offers you more time to enjoy the destination. For full itineraries and port times please visit [cunard.com](http://cunard.com)

Please note that the timings are guidelines only and the actual times may vary. Details of the estimated times of arrival and departure will be provided on board.

**What are the benefits of booking my Shore Experiences with Cunard?**

As the pioneers of world voyages, no one knows the world as well as us. Our Shore Experiences are tried and tested, and hand-crafted to maximise your time ashore.

**Peace of mind**

If the weather prevents us from docking, or operating Shore Experiences, the full price of your Cunard shore experience will be refunded (provided the excursion didn't start). Additionally, if your Cunard tour is running late, your ship will not depart without you.

**Cancellations and refunds**

You may cancel or amend the majority of reserved experiences at no cost online through My Cunard or by phoning Reservations up to 3 days in advance of sailing. There may, however, be Shore Experiences that are non-refundable or incur a cancellation penalty, or have an earlier cancellation deadline; details of this will be contained in the tour description.

**(i) Pre-paid Shore Experience bookings**

Once on board, if you wish to cancel your Shore Experiences before the cancellation deadline (generally 48 hours prior to the arrival in port) a 10% cancellation fee will be applied to your on board account and the full amount paid will be refunded to your original credit/debit card. We regret that we are unable to refund the cost of experiences that are cancelled by guests after the cancellation deadline. If you do wish to cancel your Shore Experience after the cancellation deadline, we will credit the original credit/debit card with the full amount paid, however a 100% cancellation fee will be posted to your on board account. In order to process any cancellations, tickets must be returned to the on board Tour Office.

call at the Purser's Office no later than 6.00pm the day prior to disembarkation. Cash cannot be refunded to a credit card therefore failure to remove your credit card, will result in a cash balance on your account on the morning of disembarkation. You will then need to call at the Purser's Office to collect this cash credit. For those guests who are travelling on a World Voyage, your account will be settled several times during your stay on board. For guests who travel on two or more consecutive voyages, your account will be settled at the end of each cruise. These settlement dates will be advised when you are on board.

You may choose to settle your account with cash; however a credit card should still be registered. If using cash, the account must be kept in credit at all times and there are limits on the amount of cash that can be deposited on your account, which vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling us\$9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

Please note that, as part of the fight against terrorism, international crime and money laundering, EU regulations require all guests entering or leaving the European Union with €10,000 or more in cash (or its equivalent in other currencies or easily convertible assets – e.g. bonds, shares, traveller's cheques, etc.) to declare the sum to the customs authorities of the Member State which he/she is entering or leaving.

Please note we do not accept Solo, Maestro, Switch, Monzo, Revolut, or any pre-paid or multi-currency credit cards, personal cheques, or travellers cheques. We are also unable to accept €500 notes at any time; this includes at the Casino.

**Can I enquire about future voyages whilst on board?**

With our fleet of ships sailing around the globe, we have many exciting cruise options to choose from.

With in-depth fleet and product knowledge, up-to-the-minute fares, and immediate stateroom availability information, our Voyage Sales Specialists can make booking your next Cunard cruise as easy as possible. Guests can even book through their current travel agent on board, or directly with Cunard. Please see your Voyage Sales Specialist for more information and for full details of the benefits available for guests who book while on board.

**What children's programmes do you offer?**

Our ships are excellent family destinations, because we offer a range of entertainment and activities for children, all of which are tailored to suit specific age groups. Our children's clubs – The Play Zone, The Kids Zone, and The Teen Zone – are complimentary, and offer the peace of mind of knowing that your children are well looked after and can socialise with other young people.

These clubs are open on a daily basis and feature secure entry systems to allow authorised entry. There are 'check in' and 'check out' procedures for the 6 months–12 year olds, including a registration form, which must be completed for every child before they attend the programme. We recommend registering for this service on My Cunard before your holiday. Registration is available here from 15 days before you join. Our children's programmes are exclusively for younger guests aged 2–17 years. Parents/Guardians may drop their children off in the children's facilities to be cared for by our Youth Team, who have extensive experience of planning and facilitating activities for 2–17 year olds, and hold an enhanced DBS check. Children aged between 6 months and 2 years are welcome to use the children's facilities, when available, provided they are accompanied by a parent/guardian. On selected ships a designated venue will be available for children aged 6 months to 2 years and their families to enjoy.

Please note that children in nappies, swim nappies, pull ups, or who are not completely toilet trained, are not permitted in the pools or whirlpools.

A children's activity programme will be delivered to the stateroom of all our younger guests on the day of embarkation. This will feature details of specific activities during the voyage, which will include entertaining themed days. Access to the children's facilities is on a first come, first served basis and sessions can be booked from 8.30am for the following day, via My Voyage when on board.

**What entertainment and activities are available?**

There's plenty to do and a full list of what's available will be shown in the Daily Programme, which you will receive each evening in your stateroom. Activities include: informal talks, academic and cultural enrichment programmes, celebrity speakers, fitness classes, sports tournaments, games, quizzes, and competitions, as well as concerts, musical shows, and theatre productions. You can also catch up on movies.

**What games do you offer in the Casino?**

Our on board casinos offer the most popular table games, including blackjack, roulette, and poker. Complimentary gaming lessons are also held during each cruise. We also offer a range of exciting slot and video game machines, as well as regular bingo sessions. Please note that guests under the age of 18 are not permitted to gamble or be in the Casino, and that neither Cunard on board spending money, nor personal gift credits, can be used for Casino charges.

**Will I be able to attend religious services?**

A Catholic Priest is permanently on board Queen Mary 2, and on board Queen Elizabeth, Queen Victoria, and Queen Anne during major religious holidays. A Rabbi will also be on board during major religious holidays. Non-denominational services are conducted on Sundays at sea. During voyages coinciding with a major religious holiday, ecumenical clergy will be on board to conduct services.

**How can I keep in touch with people?**

All staterooms have direct-dial telephones. Our ships are equipped with an advanced wireless network, which allows guests to use their mobile phones when the ship is at sea. This international roaming service is enabled by and charged via your home operator, who can also provide you with exact rates. You can then use your phone as you would at home.

**What is the smoking policy on board?**

The safety, comfort, and enjoyment of all our guests has always been a key concern at Cunard. With this in mind, as a direct result of the feedback we have received from our guests, we have amended our policy with regard to smoking on board Cunard ships as follows:

All public and private spaces on board (with the exception of your ship's designated smoking area) are non-smoking. This includes pool areas, restaurants, and outdoor dining venues, as well as in staterooms and on balconies. Only cigar and pipe smokers are permitted to smoke in Churchill's Cigar Lounge.

Electronic cigarettes and vape devices, including those that do not emit smoke, are only permitted in your ship's designated smoking area. You can find the smoking area's location in the ship board services folder in your stateroom and clearly signposted on deck. Some countries have strict rules around the use of electronic cigarettes, please visit the Foreign Office website for information.

**Do you use security cameras on board?**

Cunard may operate closed circuit television (CCTV) in certain areas on board the ship during your cruise.

**What happens if I am unwell?**

Each ship has a Medical Centre on board, supported by fully qualified doctors. We are proud to be able to say that all of our medical centres are accredited by CHKS and certified to ISO9001:2015.

Although we hope none of our guests become ill, please note that medical and repatriation expenses in countries such as the United States can be substantial, and this is why we strongly insist upon all guests having valid insurance to cover such costs. If you happen to be taken ill whilst cruising with us and your condition were so serious that we needed to get you to shore, you would be placed into the care of our port agents, and a member of our shoreside team would stay in contact with you and provide support if required. All voyages are outside the scope of Australian Medicare, New Zealand Accident Compensation Corporation (ACC) and private health insurance. All medical services on board are charged for, and we strongly recommend you have travel insurance to cover you for medical costs you may incur.

**How do I settle my final bill on board?**

If you have a credit card registered, all you need to do is to check your final statement on the morning of disembarkation. If you are happy with your account you need take no further action. The final amount will be settled to your registered credit card.

If you choose to settle your account with cash and you have a credit card registered, you should

## On board

**Do you hold emergency drills on board?**

All guests boarding our ships will be shown a safety video outlining the emergency procedures and important safety information. It is important all guests watch the safety briefing on the TV in their stateroom, in full.

Our stateroom stewards will be available to demonstrate the safety features in your stateroom and answer any questions. After watching the safety briefing all guests must attend their assigned Assembly Station and record their attendance before departure.

Full safety information is displayed on the inside of your stateroom door.

**What languages are spoken on board?**

English is the official language on board, with all announcements and printed information in English. As an international company with worldwide cultural appeal, we also provide assistance in French, German, Spanish, and in some instances Japanese.

**What is the Purser's Office?**

The Purser's Office in the ship's Grand Lobby is the place for all general enquiries, where you can settle your on board account and check for any lost and found items.

**Is lunch served on the day of embarkation?**

The buffet at Lido or King's Court will be open on board for guests from the start of embarkation. Further information regarding dining times will be available on board once you have embarked the ship.

**Can I bring alcohol on board?**

Guests over 18 years of age (or 21 years when in US waters) on the day of embarkation may bring one bottle per person of wine or champagne on board to celebrate special occasions (no larger than 750ml). However, if it is consumed in any of the dining rooms, alternative restaurants, or bars then each bottle will be subject to a corkage fee.

**Can family and friends come on board?**

Due to stringent security measures, we regret that visitors will not be allowed on board any Cunard ship at embarkation, disembarkation, or in any port of call.

**How will I get my bearings on board?**

To help you get your bearings on board, there is a ship's plan in your stateroom, plus further plans at convenient locations throughout the ship showing you where you are. Members of the crew will also be more than happy to help.

**What channels are available on my stateroom television?**

Every stateroom has its own television featuring satellite news and entertainment channels. Along with a movie channel featuring a wide selection of first-run movies, we also offer sitcoms and dramas, as well as specialist programming and a bespoke morning TV show presented and produced on board. Plus, for sports fans, we do screen several major sporting events. Please note that reception of some channels may be limited in certain areas of the world.

**Where can I keep my valuables?**

All staterooms are equipped with a safe into which you can programme your own personal code.

**Can I have room service?**

Please note Room Service is available round the clock. You'll find a Room Service menu in your stateroom. Room Service is not available on disembarkation day.

**Can I get my laundry done?**

Full laundry and cleaning services are available on board our ships and will be billed to your on board account. Our ships also have complimentary self-service washers, dryers, and irons available.

**Do you sell duty-free alcohol on board?**

On selected voyages, duty and tax-free alcohol is available for purchase and will be delivered to your stateroom on the last day of your cruise.

**What is the minimum legal drinking age on board?**

Guests who are under 18 years of age are not permitted to purchase or consume alcohol on board. However, whilst in US waters, Cunard enforces and abides by the US legal drinking age of 21 years.

**Can I record video on board?**

Feel free to video record on board during your cruise. However, please note that recording entertainment performances is not permitted for copyright reasons.

## Joining and leaving your ship

**Can I check-in online?**

In most embarkation ports guests will be invited by email to check-in online before travelling to join the ship. We recommend checking in online to enable a more timely boarding.

**How do I join my cruise?**

You can make your own way to the port or airport.

**How much luggage can I bring?**

You can bring as many bags as you can comfortably fit into your stateroom. Please attach a Cunard issued luggage label to each item of luggage, as they are essential for quick delivery to your stateroom. If you are unable to print your own luggage labels, these will be available at the port. Please bear in mind when you are packing that the weight of an individual piece of luggage must not exceed 23kg to ensure safe handling. If any individual piece of luggage exceeds 23kg you will be delayed at embarkation and may be asked to remove items or re-pack your bags. You may also find that your luggage is delayed at disembarkation if any of your bags exceed this limit.

**What time do I have to check in?**

To ensure a relaxed start to your cruise we operate a staggered arrival schedule. Your embarkation time will be advised via your online check-in boarding pass.

**What happens to my luggage in embarkation?**

When you arrive at the terminal, your luggage will be collected by a porter, screened by security, and delivered directly to your stateroom for your convenience.

**What time does the ship depart from Southampton?**

The ship will generally leave Southampton at around 4.30pm, although this may change depending on how many ships are in Southampton on the same day and for other operational reasons. Your embarkation time will be shown on your boarding pass. All guests must be on board no later than an hour before departure.

**What time does the ship arrive in Southampton?**

The ship will generally arrive into Southampton at around 6.30am. Guest disembarkation usually takes place between 8.00am and 11.00am, subject to operational approval.

**Where does the ship depart from in New York?**

Cunard uses both Brooklyn and Manhattan Cruise Terminals, so please ensure that you check your documents for confirmation of which terminal you will be departing from. Guests arriving by private car should be dropped off with luggage at the terminal curb side before proceeding to either the on-site or off-site parking. Upon entering the terminal, guests will be directed towards the security, guest screening, and check-in area.

**What happens to my luggage at the end of the cruise?**

On your final night on board, you will be asked to pack your luggage and leave it outside your stateroom. We recommend that you do not pack valuables, fragile items, or medication.

On the morning of disembarkation, before you have come through Customs, your luggage will be waiting in the cruise terminal for you to identify and reclaim. In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

After retrieving your luggage and exiting the terminal building, you will be directed to awaiting coaches, taxis/executive cars, and car parking. If your friends or relations are meeting you at the terminal, please be advised that disembarkation may take up to four hours after the scheduled arrival of the ship, in order to clear immigration and customs formalities. Disembarkation generally takes place between 8.00am and 11.00am.

## What to pack

One of the real pleasures of our ships is the balance between being relaxed and the chance to sparkle in the evenings if you wish. During the day feel free to relax and dress as you please. Then when the sun goes down, the style goes up. Every night on board we ask you to wear smart attire in our bars, restaurants and entertainment venues.

### Sea days

Days at sea with Cunard offer you time to explore your ship at your leisure. You might take a dip in the pool or relax with a book on deck. There's also any amount of daily activities\* to join in – from fitness classes to wine tastings, and arts & crafts – as well the chance to enjoy Afternoon Tea.

As this time is leisurely, it's important to wear clothes that you feel comfortable in. Shorts and T-shirts are perfectly acceptable, and we'd encourage you to bring swimwear so you can enjoy the pools, spa and whirlpools on your ship. If you want to use the gym, join an exercise class or run a mile around the deck, ensure you pack a pair of trainers and whatever you normally wear to work out.

### Evenings on board

Evenings on board a Cunard Queen exude a sense of occasion, but they're also as relaxed as you want them to be. We ask you to wear smart attire in bars, restaurants and entertainment venues in the evenings. However, there's no need to dress to the nines each night if you don't want to, and you'll find many areas on board where casual dress is welcome.

### Gala evenings

At least twice on each seven-night voyage we'll host a Gala Evening. Many of our guests choose to sail with us specifically because they look forward to these events. We invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship from 6pm, and formal dress (cocktail wear and jackets and ties) are required in main dining restaurants on these sparkling evenings. We theme these evenings to add even more of a sense of glamour to the occasion. And we always communicate this in advance so you can pack accordingly. Popular themes include Masquerade, Black & White, Roaring Twenties, and Red & Gold.

But whether you simply nod to the theme with an accessory or dress to impress is entirely up to you.

#### Formal dresses

Floor-length dresses in sumptuous silks. Ball gowns encrusted with jewels. And off-the-shoulder cocktail dresses that kiss every curve.

When it comes to formal nights on board (we call them Gala Evenings) our guests really do dress to impress.

#### Formal suits

Formal suits are only required on board a Transatlantic voyage on Gala Evenings and, even then, there's no pressure to dress-up if you don't want to. A formal suit, shirt, and tie of any colour will also do just fine for Gala Evening.

### Shore days

As it's likely you'll be covering a lot of ground on foot, comfortable shoes are a must. Some shore activities\*, such as hiking, may call for a specialist footwear so if you've booked any excursions ahead of time, make sure you've packed appropriate clothing options. In some destinations, the weather may also change very suddenly so it's always a good idea to pack a lightweight raincoat, umbrella or a warm jacket to ensure you're comfortable while away from the ship. A rucksack or tote bag can be helpful for carrying water and other items during port visits, particularly if you're planning to shop on shore or head to the beach. And – of course – don't forget your camera.

### THINGS TO KNOW BEFORE BOOKING

- ➔ **2) Cruise itineraries are not guaranteed and onboard offerings may vary**
  - a) Many factors may affect Our ability to provide any particular planned itinerary. These include weather or environmental conditions, mechanical difficulties, civil unrest, health and safety emergencies, providing assistance to other vessels, or other unforeseen circumstances. **As a result, We cannot guarantee itineraries.**
  - b) If We are unable to operate in accordance with Our planned itinerary, We may in some circumstances offer You assistance or compensation in accordance with clauses 23 or 24. You may also have additional rights to compensation under the Consumer Laws.
  - ➔ **c) Onboard offerings such as services, products, venues, menus and activities are subject to availability and may vary by ship and itinerary and from the descriptions and images on Our marketing material. We may make changes to the onboard offerings including due to the availability of goods and services, health and safety considerations, for operational reasons, due to changes in laws or because We are seeking to refresh or improve onboard offerings. Nothing in this clause, however, affects Your rights at law including under Consumer Laws.**

### 3) Overview of Your Obligations

#### Comply with Our policies, procedures and directions

- a) We have in place, and may introduce, alter and/or withdraw, policies and procedures for the health, safety, comfort, enjoyment and/or general wellbeing of people relating to the Cruise. - d) You acknowledge and agree that health, safety and security is everyone's responsibility. At all times unsafe, abusive, offensive, illegal, disruptive behaviour and the like is prohibited in relation to Your Cruise. This can cover things like:
  - i. abusive, offensive, dangerous or harassing behaviour;
  - ii. behaviour which may endanger the safety of the ship on which you are travelling, or the safety of Our staff or other people in connection with Your Cruise;
  - iii. tampering, damaging or interfering with any part of the ship (including equipment, facilities and systems);
  - iv. climbing, standing or sitting on any safety barriers;
  - v. public nudity and acts of indecency;
  - vi. littering;
  - vii. smoking outside the designated areas;
  - viii. failing to comply with directions from Our staff;
  - ix. making excessive noise which disturbs other persons onboard; and
  - x. unlawful conduct including in the ports We visit.

#### If You see something, say something

- e) Any injuries, incidents, anomalies, illegal activity, hazards, unsafe behaviour, disruptive behaviour, security matters in connection with Your Cruise should be reported to Us/Our staff as soon as possible.

#### Prepare Yourself for the Cruise

- f) It is Your responsibility to ensure that at all times You are fully and properly informed about, and comply with, all Laws, orders and customs in relation to Your Cruise and which are in place at the destinations We plan to visit during Your Cruise. This covers things like:
  - i. making all necessary enquiries as to whether You need a visa and/or other documents to undertake Your Cruise, and obtaining those documents;
  - ii. obtaining vaccinations;
  - iii. finding out about risks to Your health and safety in relation to Your proposed travel in consultation with Your doctor;
  - iv. obtaining adequate international travel insurance to cover You for Your Cruise; and
  - v. ensuring Your details are registered with Us and are up to date including phone number, email, address and emergency contact details.
- g) Travel advice can be obtained from various sources. In Australia, the Australian Department of Home Affairs (<https://www.homeaffairs.gov.au/>) and <https://www.smarttraveller.gov.au/>. In New Zealand, the New Zealand Immigration Service (<https://www.immigration.govt.nz/>) and <https://www.safetravel.govt.nz/>.
- h) Travel on a Round Trip Cruise from Australia will not be recognised by Australian Immigration to have left Australia and therefore the Cruise cannot be used to revalidate an Australian visa.

### 4) Identification requirements

- a) Identification requirements vary by country and government agencies/departments can change those requirements including at short notice. It is Your responsibility to ensure You comply with the requirements in place at the destinations We plan to visit at the time of boarding Your Cruise.
- For domestic itineraries**
- b) For domestic Cruises departing an Australian port that do not visit an international port, and for domestic Cruises departing a New Zealand port that do not visit an international port, a valid passport or government issued photo identification is required for all Adults. Accepted forms of government issued photo identification include a driver's licence, proof of age cards and Government ID cards.

- d) For international itineraries, all guests are required to travel with a passport which must be valid for a minimum of six (6) months beyond the date of Your Cruise return and have sufficient blank pages for entry and exit stamps and visas for all destinations.

### 5) Other Services and Independent Contractors

  - i. flights,
  - ii. transfers,
  - iii. hotels,
  - iv. shore tours,
  - v. tickets to events,
 ('Other Services', and separately as 'Other Service').
- b) We may assist You in booking Other Services. Other Services are owned, supplied and/or operated by Independent Contractors ('Other Service providers'). Other Service providers are solely responsible for the information and Other Service offered, and their conditions will apply.

### 6) Travel insurance

- a) We strongly recommend You purchase appropriate international travel insurance at the time You pay Your deposit. As Australian Medicare and New Zealand Accident Compensation Corporation do not cover Your travel onboard, it is important that international travel insurance is purchased for all voyages (including domestic Australian and New Zealand itineraries which do not visit international ports). If You do not purchase international travel insurance You may not be able to recover charges, medical costs, repatriation and other expenses that may be incurred if things do not go according to plan, unless You are entitled to compensation or another remedy under the Consumer Laws or in accordance with clauses 23 or 24.
- b) Some countries included in Our Cruise itineraries have a mandatory requirement that guests hold international travel insurance. If this applies to Your Cruise itinerary, You must bring printed or digital proof of Your travel insurance policy when You check-in for Your Cruise or You will be denied boarding. You are responsible for all travel insurance requirements for Your Cruise.

### 7) Your Health

- a) You must be medically, physically and mentally fit for travel, and ensure that travel will not endanger Yourself or anyone else. If You require doctor's clearance to travel, it is Your responsibility to obtain that clearance. We may request that You provide evidence of such clearance to Us at any time.
- b) If You have a condition that may seriously affect the health or safety of Yourself or any other person onboard, We may refuse or cancel Your booking at Our discretion. We will exercise Our discretion giving reasonable consideration to Your circumstances and We will advise You of Our decision as soon as possible. Where Your booking is cancelled You may be entitled to a refund under clause 23 or Consumer Laws.
- c) Guests with restricted or limited mobility, and those with medical conditions must be self-sufficient or travel with a carer or someone who can assist with day-to-day activities. Our staff are unable to act as personal carers. Carers are at all times responsible for guests under their care.
- d) In the unlikely event of an emergency, it is important We have sufficient and specific support for guests who require additional assistance, and We have advance notice of the support required. We must be advised if You need someone to guide and steady You on stairs as lifts may not be available in an emergency, even if You are travelling with someone else who can support You. Guests who are unable to get to their assembly stations independently for any reason must be pre-registered for assistance to ensure We can provide sufficient support. All guests must inform Us of any mobility or accessibility requirements when making a booking or as soon as possible after the booking is made, by completing the Onboard Needs Questionnaire, which is available in My Cunard (see clause 15(d) below).

### ➔ Communicable Diseases

- e) The transmission of Communicable Diseases can be facilitated by people interacting or in close/casual contact environments. Cruises involve the transportation of large numbers of people in an environment where they are likely to interact or come into close/casual contact with one another.
- f) You can be exposed to pathogens and Communicable Diseases at any time during Your Cruise (including onboard, in terminals, or while ashore). Exposure to pathogens and Communicable Diseases is an inherent risk of Your Cruise. While We have policies and procedures in place to reduce this risk, You acknowledge and accept that We cannot eliminate this risk and You accept this risk upon booking with Us.

These Conditions refer to various rights that may be exercised in Our discretion, such as giving You directions on board or refusing to carry You or Your luggage on Our ship. We will exercise that discretion reasonably. In exercising Our discretion, We may take into consideration a range of factors including but not limited to Our legal obligations (including under Australian and international maritime laws), the need to protect the health and safety of all persons on board, Our ships, Our equipment and Our reputation.

### YOUR CONTRACT WITH US

#### 1) Introduction to Your Contract with Us

##### The parties to the Contract

- a) You are entering into this Contract with Carnival plc trading as Cunard, ARBN 107 998 443. It is contracting on behalf of itself and on behalf of the Carrier with You. **You/Your** means You and all guests in Your booking. **We/Our/Us** means Carnival plc trading as Cunard. **Carrier** includes the owner, operator, charterer or manager of the ship on which You book a Cruise or any substitute ship. We may or may not be the Carrier for the Cruise You have booked.

#### Your Contract with Us

- b) Your Contract with Us comprises the following terms:
  - i. this Booking Conditions ('**these Conditions**'); and
  - ii. any additional terms and conditions that apply to Your booking that are notified to You or Your travel agent at or before the time of booking (for example: terms and conditions for promotional fares, group bookings, corporate bookings, Ezpay, and/or wedding/vow renewals) ('**Additional Terms**'), (collectively '**Contract**').
- c) In the event of any inconsistency between these Conditions and any Additional Terms that apply to Your booking, the Additional Terms will prevail to the extent of the inconsistency.

#### When the Contract becomes legally binding

- d) Except as set out in clause 1(e), Your Contract with Us becomes legally binding once We receive the first Payment towards Your Cruise in cleared funds. If We do not receive the first payment from You or Your travel agent either at the time of booking or within 3 days if You have requested a 3 day hold of the booking, We will cancel Your booking and no legally binding Contract will form between You and Us.

**8) Onboard Medical Centre**

- a) Each ship has a medical centre that is staffed by qualified, licensed doctors and nurses (**medical staff**). Medical staff are available during routine clinic hours and 24 hours a day in the event of an emergency.
- b) All onboard medical centres are well equipped to handle most medical conditions that arise while onboard and are accredited to international healthcare quality standards. All of Our medical centres are only for medical needs arising onboard and cannot cater for treatments that You know You will require while on holiday. Further, medical care in the places We visit may be limited in comparison to Australia and New Zealand standards. It is Your responsibility to consider Your itinerary and Your medical needs before booking with Us.
- c) The medical centre is outside the scope of any health schemes like Australian Medicare and NZ Accident Compensation Corporation. The onboard medical centre is a private facility. Consultations, treatments and medication are charged at private rates and must be paid by You before Your final disembarkation. You may be entitled to seek reimbursement of Your medical expenses from Your international travel insurer (if applicable).
- d) While the medical centres are equipped to handle many medical conditions that arise while onboard, there may be occasions where it becomes necessary to disembark or evacuate a guest to receive further essential medical treatment. To ensure guest safety, this decision will be made by the onboard doctor and the Captain. All medical services, repatriation costs, transport/travel expenses, onshore accommodation expenses, onshore meals and the like are not included in Your Fare and must be paid by You.

**9) Pregnant Guests**

- a) We are unable to accept any guests who will have entered their 24th week of pregnancy or later at any time during the Cruise. If You are pregnant at the commencement of Your Cruise, You must obtain a letter from Your doctor prior to embarkation which confirms You are fit to travel and specifies Your estimated due date. This letter must be produced upon request.

**10) Specific Needs**

- a) We understand You may have specific needs to enable You to undertake Your Cruise in a safe, healthy, comfortable and enjoyable manner. Specific needs can cover things like:
  - i. using a medical mobility aid onboard such as a wheelchair or scooter;
  - ii. requiring wheelchair assistance at the cruise terminal or wheelchair accessible transfers;
  - iii. dietary requirements;
  - iv. requiring a baby cot/crib;
  - v. requiring assistive listening systems;
  - vi. requiring a carer, interpreter or other support person;
  - vii. bringing Your service dog onboard;
  - viii. administering medications via injection;
  - ix. bringing specialist medical equipment onboard;
  - x. refrigeration for medication.
- b) Due to the inherent nature and risks of travel by sea, if You have specific needs in relation to Your Cruise, You must contact Our Contact Centre before booking Your Cruise, or as soon as possible, to confirm whether We can meet Your specific needs for Your chosen Cruise. We will make reasonable adjustments but cannot guarantee We can meet Your specific needs. Please note that in order to meet Your specific needs, We may require You to purchase a specific category of room.
- c) Guests who are bringing a wheelchair or mobility aid onboard must advise Us at the time of booking. You must provide Your own wheelchair or mobility aid and must ensure it can be stored inside Your room. Limited areas of the ship may not be wheelchair accessible. Please note that some ports can only be accessed using the ship's tenders. Tender boats and tender ports are generally not accessible to guests who use a wheelchair or with significant mobility impairments.
- d) If You take medication on a regular basis or anticipate requiring certain medication during Your Cruise, You should pack an adequate supply to cover the planned itinerary and any potential delays. Guests need to ensure they take all medication with them upon disembarkation as any medication left behind will be disposed of.

**11) Minimum Age to Travel**

- a) Due to limited neo-natal facilities onboard and at the destinations We visit, the following minimum guest ages apply to Our Cruises:

Planned Itinerary	Minimum age to travel at date of departure
Transatlantic Crossings, World Voyages and some remote itineraries	12 months
All other itineraries	6 months

**12) Children**

- a) For the safety and enjoyment of all onboard, there may be limits on the number of Children that can be carried within different age groups. We will advise You whether We are able to accommodate bookings for Children on the Cruise You have chosen. If We cannot accommodate Children on Your Cruise and You have already made a booking, We will notify You and offer a full refund for all guests on Your booking.
- b) For safety reasons, there must be at least one Adult occupying each room. However, for families travelling together and with inter-connecting rooms, Children may occupy an inter-connecting room to their parent/Guardian on the condition that at least one Child in the room is aged 16 years or older and the other child/children in the room are aged 13 years or old.

**13) Dogs, Cats & Service Animals**

- a) Cunard is pleased to permit individuals to bring service animals on board, subject to applicable Customs and Quarantine requirements. In addition, dogs and cats may be carried in the kennels on board specific Queen Mary 2 voyages. In order to make appropriate arrangements, notice that a guest will be travelling with an animal must be provided at the time of booking. **22) Room Changes**

- a) We might need to change Your room allocation before or during Your Cruise for operational reasons including health and safety matters, when the number of people booked in the room is less than the number of beds in the room (for example, 2 people booked in a quad room), or if You have selected a wheelchair accessible room and do not require one.
- b) We may upgrade You to a higher room grade at no extra charge and without consultation. **24) Your options if We make changes to Your Cruise**

- a) **Changes within Our control**  
Where a significant change is made to Your itinerary prior to departure and this is due to a circumstance within Our control, for example for operational or commercial requirements, You will have the choice of:

In addition, shipboard crew may use body mounted cameras for security purposes. This footage and any accompanying audio recording are confidential and is not available for viewing except by authorised persons, unless required or permitted by law.

**ONBOARD**

**27) Shipboard Environments**

- a) There are some inherent features of travel by cruise ship which You should be prepared for. Some noises, vibrations and smells are associated with the normal operation of the ship. Maintenance may occur in certain areas of the ship while You are onboard which may affect access to these areas. Weather or environmental conditions or other events may also require Us to restrict access to certain areas of the ship for safety reasons.
- b) Movement in all directions is an inherent feature of travel by cruise ship. Some guests may experience motion sickness, nausea and/or vertigo as a result of the motion of the cruise ship. Unsecured or loose items can also move unexpectedly as a result of the motion and cause damage.

**28)Onboard Purchases**

- a) All of Our ships operate on a 'cashless' system. During pre-boarding procedures, every guest will be issued a Cruise Card which will also act as Your room key. The Cruise Card is linked to Your onboard account and is the only payment method accepted for onboard purchases, which are charged in United States Dollars (USD).
- b) When You check-in, You will be required to present a Visa, MasterCard or American Express which will be associated with Your onboard account and charged for all onboard purchases. As an alternative to registering a Visa, MasterCard or American Express, You can add funds to Your onboard account at any time by visiting the Reception desk onboard. We are unable to accept money transfers to the ship, personal cheques, traveller's cheques or prepaid credit cards.
- c) To ensure funds are available on Your credit/debit card, pre-authorisation holds are placed on Your account throughout Your Cruise. No funds will be debited from Your credit/debit card until the final payment is processed on the day of disembarkation or at the end of a segment on a World Voyage. Pre-authorisation holds can vary by bank but should be released by your bank within 30 days. If the registered credit/debit card has the name of a guest printed on the card, then it must match the name of the guest's photo ID used to embark the ship.
- d) We recommend that You check with Your card issuer in advance of making any payments to confirm whether transactions on Your card attract a foreign processing fee.
- e) If you do not register a Visa, MasterCard or American Express to Your onboard account, then You must keep Your onboard account in credit at all times to enable You to continue to make purchases onboard. Should Your account no longer be in credit, it will be frozen and You will be unable to make any purchases until it has a credit balance.
- f) Any unused cash on Your account can be refunded back to You at the end of the cruise by You visiting the Reception desk prior to disembarking. Any credit due to be returned to You will be clearly shown on Your final statement which will be delivered to Your cabin on the last night of the cruise.
- g) All onboard accounts must be settled in full before You leave the ship at the end of Your cruise. Should You fail to settle Your onboard account before disembarking the ship, We reserve the right to cancel any existing or future bookings You may have with Us (and Our affiliate brands) and retain the outstanding sums from any refund due to You, without prejudice to any other remedies We may have under these Conditions or by law.

**Onboard Credit/Onboard Spending Money**

- h) Onboard Credit ('OBC'), which may also be referred to as Onboard Spending Money, may sometimes be offered as part of a promotional campaign or promotional fare. OBC is a monetary amount in United States dollars which is applied to Your onboard account to be used for onboard purchases.

- j) During the cruise, guests will experience excellent service from members of Our crew in a variety of locations. In addition, many more crew behind the scenes support those who serve guests directly. For Your convenience, a Hotel and Dining service charge for things like hotel, bar, spa and salon services will be automatically added to Your shipboard account on a daily basis. Service charge amounts are subject to change and You may choose to alter or remove these charges at your discretion. For further information about service charges including current service charge amounts, see Our website: <https://www.cunard.com/en-au/the-cunard-experience/service-charges>.

- a) Parents and/or Guardians are at all times responsible for their Children (or Children in their care), who must be supervised at all times.
- b) If a Child displays behaviour that may reasonably be perceived by Us/the crew to be dangerous, disruptive, unsafe or the like, the Travel Restrictions and Rights of the Captain under clause 33 will be applied to both parent/Guardian and Child.
- c) Some areas, amenities (including pools and whirlpools) and entertainment are designated as 'Adults only'. Parents/Guardians are responsible for ensuring Children do not attend any restricted areas and activities onboard.
- d) Children must be toilet trained and under their parent's/Guardian's supervision while using onboard pools. Children wearing nappies must not enter any onboard pools. Prams and strollers must be collapsible and capable of being stored in Your cabin.
- e) Parents/Guardians must not disembark the ship without their Children (or Children in their care) unless they have pre-arranged for an Adult or the Kids Club to supervise their Child while they are not onboard.

**Kids Clubs**

- f) We offer Kids Clubs onboard each ship for Children aged between 2 and 17 years of age. The Kids Clubs are included in the Cruise Fare. Availability in the Kids Clubs and use of the Kids Clubs' facilities is limited and provided on a first-come-first-served basis.
- g) Children under two (2) years of age are welcome to use the Kids Club facilities under the direct supervision of their parent/legal Guardian. To attend the Kids Clubs without a parent/legal Guardian, Children need to be two (2) years of age or over.
- h) At all times We reserve the right to exercise Our discretion and refuse participation in the Kids Clubs or access to the Kids Clubs' facilities.

**30)Alcohol & Gambling**

- a) We are committed to the responsible service of alcohol and responsible gambling. There may be times when We consider it appropriate, in accordance with the Cunard Responsible Service of Alcohol Policy or the Rights of the Captain, to refuse the service of alcohol to a guest. In these circumstances, no refund or compensation will be paid including for any beverage packages that apply. Guests must be 18 years or over to purchase, possess or consume alcohol, or gamble onboard. However, whilst in U.S. waters, Cunard enforces and abides by the U.S. legal drinking/gambling age of 21 years. Government issued photo identification may be requested. Alcohol or casino credits cannot be added to a booking as a gift for guests under 21 years of age.

- b) On the day of embarkation, guests over the above minimum ages may bring on board one bottle of wine or champagne (maximum 750ml) per guest to celebrate special occasions. If consumed in the dining rooms, alternative restaurants or bars, each bottle may be subject to a corkage fee. Any other alcohol purchased ashore will be collected at the gangway for safe keeping and will be returned to You on the last day of Your voyage. You acknowledge that We may inspect beverages which We reasonably suspect to be containing alcohol.
- c) Violations to the alcohol policy may result in You being denied from being served alcohol onboard.
- d) The use of any recording or camera technology by guests in the casino is prohibited.

**31)Smoking and Vaping**

- a) Guests must be 18 years or over to purchase, possess or smoke including tobacco, e-cigarettes, herbal cigarettes or the like onboard. Smoking and vaping is not permitted in staterooms, on stateroom balconies or in public areas (with the exception of Churchill's Cigar Lounge, which is reserved for cigar and pipe smokers only). For those who smoke, there are designated outdoor areas where smoking is permitted and this information will be communicated to You onboard. Tobacco, e-cigarettes and the like must only be used in the designated smoking areas onboard.

- a) During the Cruise, the Captain will exercise complete control over the ship and take such actions as they think necessary to preserve the safety and integrity of the ship and the comfort, health, safety, enjoyment and general wellbeing of the guests and crew.
- b) You are at all times responsible for ensuring that no travel restrictions apply to You and any Children in Your care or custody.
- c) If police or any other authority in any jurisdiction notify Us of, or We otherwise become aware of, any matter that reasonably causes Us to believe Your presence onboard might present a risk to Your health, safety, or any other person's onboard, We, and/or the Captain, may take any action reasonably necessary in response to the matter, including:
  - i) deny You boarding;
  - ii) disembark You from the ship;
  - iii) restrain or confine You onboard;

- a) Guests may choose to go ashore at a port of call. In the event that You go ashore, You acknowledge and agree that You do so at Your own risk. You are responsible for familiarising Yourself with, and adhering to, the local laws, regulations and customs. Additionally, We take no responsibility for any injury, death, loss and/or damage that occurs while You are not onboard the ship. Food must not be taken off the ship at any port of call as it can result in penalties.

**DISEMBARKING**

**35)Leaving the Cruise early or late returning to the ship**

- a) If You depart the ship at a port of call, You must ensure that You return to the ship prior to the cut-off time nominated by Us. Re-embarkation deadlines apply and may be strictly enforced.
- b) If You are required, or choose, to leave the Cruise for any reason (unless caused by Our negligence or failure to provide services with due care and skill and that are reasonably fit for purpose), We are not responsible for any expenses, including Your return home. This also applies if You do not return to the ship in time for sailing after a port visit. Subsequent boarding is not guaranteed and may be denied. You will not be entitled to any refunds or compensation from Us unless the Consumer Laws provide otherwise.
- c) It is important to be aware that it will not always be possible to leave a Cruise early, even when on an Australian domestic itinerary. Some Australian ports have strict border and quarantine restrictions which prevent cruise ship guests from discontinuing the Cruise in that port, even if they are an Australian passport holder. Many international ports also have strict border restrictions and visa requirements. For cruises departing in the United States, the Passenger Vessel Services Act ('PVSA') prohibits the transportation of passengers between two different U.S. ports. You must not, in breach of the PVSA, embark and disembark at different U.S. ports or otherwise purposefully cause a violation of the PVSA. Breaches of this clause will be subject to clause 38(c).

**36)Lost luggage and personal belongings**

- a) You are at all times responsible for Your belongings. Also, it is Your responsibility to remove all of Your belongings from the room prior to disembarking the ship.
- b) While We will provide reasonable assistance in locating any items left onboard, We are not responsible for any items misplaced, lost or left behind by You.
- c) Once You disembark the ship, You must collect Your checked luggage as soon as it is available for collection. Due to hygiene reasons, any unclaimed items that are considered in Our discretion unhygienic will be destroyed at the end of the Cruise. All other items must be claimed within three (3) days of disembarking Your Cruise by contacting Our Guest Relations team. You are responsible for Our costs incurred in returning lost items to You, such as postage fees. If You pick up the wrong luggage, it is Your responsibility to immediately return the luggage to Us and at Your own expense.

**OUR VALUES**

**37)Environmental Policy**

- a) At all times during Your Cruise, You are prohibited from littering, dumping, polluting or otherwise discharging anything into the ocean or waterways. Further, You must not leave unsecured items on balconies or on the upper/open decks of the ship as the wind can cause items to fall overboard.

- a) Your Contract with Us is governed by the Laws in force in New South Wales. You agree that any claim and/or action You bring against Us will be brought in Australia and will be subject to New South Wales' law. If You have a claim and/or action against Us, You agree only to bring an action against Carnival Plc trading as Cunard and not any of Our related bodies corporate as defined in the Corporations Act 2001 (Cth).

**40)Compliance with Trade Sanctions**

- a) You acknowledge and agree that at any time, We reasonably believe that Your participation in the Cruise may expose Us to breach of Trade Sanctions or expose Us to legal liability in relation to Trade Sanctions, We have the right to cancel Your Contract without liability or obligation to refund of any portion of Your Fare.
- b) By entering into Your Contract, You are deemed to represent to Us that You are not subject to any Trade Sanctions or listed on any lists of sanctioned persons for Trade Sanctions, and You are not entering into Your Contract on behalf of or for the benefit of anyone who is. You agree that You will tell Us as soon as practicable if this changes.
