Explore on shore

The best memories come from experiences that match your personality. Our curated shore excursions are designed by experts who know these destinations best.

Take an exclusive eco-tour to a native kauri forest in the Bay of Islands or a glow-worm tour from Auckland. Enjoy a Sushi making experience or perhaps discover sword-making in Sakaiminato. Take away a deeper understanding of Aboriginal life and its relationship when you join a locally guided tour from Darwin. You could even taste fifteen different Hawaiian dishes on an authentic taste of Maui excursion.

We partnered with experts to create authentic experiences

It doesn't get any cooler than this! Along with Discovery™ and Animal Planet,® we handpicked Recommended and Exclusive adventures.

You can also create deeper connections with thoughtfully crafted excursions hosted by local experts who specialise in art, history, cuisine and other areas of interest. Look for our 'Local Connections' shore excursions tailor-made for you at princess.com/excursions

MORE ASHORE

More time ashore

Look for 'More Ashore' on select itineraries for port calls that offer extra time on shore with LATE NIGHT (9pm or later) or OVERNIGHT STAYS. See the sights during the day, then experience the destinations at night!

Tokyo (Yokohama)

Contemporary Tokyo may be the most astonishing city on earth. It's a paradoxical mix of ancient tradition and postmodern culture. The Ginza - an international shopping mecca - stands near the serene grounds of the Imperial Palace, and the hyper-speed of 21st century consumerism is mysteriously reconciled with the elegance and serenity of traditional culture.

Excursion Highlights

Meiji Shrine & Temple

Aomori

Aomori is perhaps best known for its renowned Nebuta Festival, an elaborate yearly event in which participants illuminate giant paper representations of samurai warriors, animals, and popular cartoon characters while parading them through the streets.

Excursion Highlights

Highlights of Aomori

Shimizu

A mesmerising landscape, a revered cultural history, and Japan's most sacred volcano are just a few of the many delights beckoning you to come and explore this ancient city which is your gateway to Mount Fuji the active volcano, designated a "place and source of artistic inspiration" by UNESCO.

Excursion Highlights

Views Of Mt. Fuji, Tea Ceremony & Art Museum

Kobe

The city is the point of origin and namesake of Kobe beef as well as the site of one of Japan's most famous hot spring resorts, Arima Onsen. Kobe is also your gateway to Kyoto, Japan's ancient imperial capital and the nation's cultural and spiritual centre. An inspiring place to visit.

Excursion Highlights

Kobe, Sake Brewery Museum & Mt Rokko

Sakaiminato

West of the city lies Izumo-taisha, one of the oldest and holiest shrines in Shinto. This area is dotted with burial mounds from Japan's Bronze Age. The town of Matsue boasts the celebrated "Black Castle". Also a common sight ashore are the Yokai - approximately 100 bronze statues of supernatural characters that delight visitors at every turn.

Excursion Highlights

Matsue Castle, Horikawa Boat Ride & Adachi Museum

Excursion Highlights

Tangier: The Door of Africa

Reykjavik

(2024 & 2025 World Cruises)

Reykjavik is the gateway to Iceland's natural wonders, which range from ice fields to thermal pools. The island is in a continual process of transformation much like its society, which blends Nordic tradition with sophisticated technology.

Bilbao

(2025 World Cruise)

Among the city's charms are the jumble of bars and restaurants found in Siete Calles, the city's old quarter. And while the port still bustles with maritime traffic, the undulating lines of Frank Gehry's Guggenheim Museum attest to Bilbao's cultural vitality in the 21st century.

Tips for your trip

First things first

When should I book?

You should book your cruise holiday as soon as you can. This will ensure that you have the greatest choice available, as holiday periods can be very popular and sell out early. Keep this in mind, book early.

Things to know before you go

Where can I find out more about my cruise holiday?

Once you have made your booking, you can access the 'Princess MedallionClass® App' to view your cruise details, including your stateroom, itinerary, pre/post cruise arrangements and dining options. You can also pre-book shore excursions, spa treatments, special occasion packages and more from 120 days prior to sailing.

Do I need travel insurance?

Australian Medicare, New Zealand ACC and private health insurance will not cover you for any medical costs onboard. We strongly recommend all guests purchase comprehensive travel insurance, even for domestic cruises, to ensure they are covered if things do not go according to plan. Costs are incurred for onboard or onshore medical fees, medical evacuation charges, cancellation and travel change fees, and any other associated costs, unless they are covered under travel insurance.

Some ports included in your itinerary may also have a requirement for you to have a valid international travel insurance policy to be able to visit. You should confirm the requirements at the time of booking. Currently all ports in New Caledonia require guests to have comprehensive international travel insurance.

Guests should ensure they read the product disclosure statement for any insurance policy they are considering ensuring it provides the level of cover they need, including cruise travel, and any pre-existing conditions.

Where can I find more information about passports, visas and vaccinations?

Passports - Australian citizens, visit www.passports.gov.au
New Zealand citizens, visit www.passports.govt.nz

For citizens of other countries, please contact your relevant national authority.

Visas - Please contact your Travel Agent, relevant consulate or embassy, or an online visa service for more information. You may also visit princess.com for general visa information.

Vaccinations - Vaccination requirements apply. Government guidelines may result in a requirement to quarantine during or after your cruise and may restrict your ability to participate in shore tours or disembark the ship at ports we visit during your cruise. See <https://www.princess.com/plan/cruise-with-confidence/cruise-health/frequently-asked-questions/au-cruises/> for more information. Guidelines are subject to change without notice and as such, our actual cruise offerings may vary from the descriptions provided and images displayed.

What is the latest time I can check-in for my cruise?

Most cruises have a staggered check in process. Please refer to the Princess MedallionClass® App for your scheduled check in time. Check-in closes one (1) hour prior to your cruise's scheduled departure time as displayed on your ticket. Checking-in after this time will cause you to miss your cruise and no refunds will be given.

Can I book my flights with you?

Yes, flights can be booked with our Princess EZair® program from 330 days prior to the last day of sailing to 4 days prior to departure and is available once your deposit has been received and applied to your cruise booking. With Princess EZair®, you can customise your flights to suit your travel plans and choose from competitive, real-time pricing and availability. Take a look at the Princess EZair® page in this brochure for more details.

I have flights booked through Princess Cruises®, can I check-in online?

Yes, your flight reference number will be printed on your Princess Cruises eTicket.

If I am booking my own flights, what arrival and departure times do you recommend?

For Royal Princess®, Majestic Princess®, Diamond Princess®, Crown Princess®, Grand Princess® and Coral Princess® departures from Australia or New Zealand - please ensure your flight times meet the following guidelines:

Port	Arriving Flight (latest arrival prior to cruise departure)	Departing Flight (earliest departure after cruise arrival)

For all other Princess Cruises® departures, including sectors of the World Cruise, please contact your Travel Agent or our Cruise Contact Centre for the most suitable arrangements for your itinerary.

When you are making your own flight bookings, missed connections are always a possibility, so the more time you allow for unforeseen delays at either end of your cruise, the better.

If you do need to make changes to your own flight bookings, your chosen airline may charge fees; so check their airfare conditions when you book.

I take medication; do I need to let you know?

Yes, if you have a medical condition or take medication it must be advised at time of booking. We will send you a health questionnaire to complete so we have all necessary information. We want you to be safe and comfortable on your cruise, so bring enough medication to last you until the end of your holiday. It is also a good idea to bring a few extra days supply in case of any unforeseen delays.

Can I bring my medical equipment to use onboard?

In most cases, yes. To ensure your medical equipment will work onboard, please advise your Travel Agent or our Cruise Contact Centre at the time of booking. We will then send you an information sheet to complete. For safety reasons, your equipment will need to be checked prior to boarding.

When am I going to get my cruise documentation?

Princess Cruises® operates a paperless documentation program that promotes environmental sustainability and ensures guests receive up-to-date information in a timely manner. This program begins once you have paid your deposit and consists of a series of information emails including a downloadable travel summary.

Once you have completed all your personal details via the Princess MedallionClass® App, and paid for your booking in full, you can download your Digital boarding pass. A Travel Summary and your luggage labels can be accessed via Cruise Personalizer.

How do I find out what shore excursions are available, and how can I book them?

General shore excursion information is available in the Shore Excursions section of our website. You can view prices and pre-book excursions for your cruise from 120 days until seven days before sailing via 'Cruise Personalizer'. As numbers are limited, we recommend you book early. You can also book at the Shore Excursions desk once on board.

I have limited mobility; can I go ashore in all ports?

It is important to note that access to water shuttle ports may be restricted, which may also limit your excursion options. Do not worry if you cannot go ashore, a range of activities are available onboard!

Some of our larger Princess ships may dock at freight terminals which may be located further from townships than passenger berths. In these instances ports may not have sufficient wheelchair accessible transport to accommodate all guests which may limit access for these guests.

Can I organise gifts or celebrations before sailing?

We can help you celebrate your honeymoon, birthday or anniversary onboard with one of our special occasion packages. You can also arrange a gift such as a bottle of wine and/or a box of chocolates for a friend, loved one or even yourself, up until five (5) days prior to departure. For information on these packages, search 'Special Occasions' on our website.

Packages vary by ship and exceptions apply.

Can I get married or renew my vows onboard?

Yes, let Princess Cruises® help you create memories to last a lifetime. We offer a wide variety of special packages for weddings and vow renewals on most of our ships. Visit our website for more information or to download a brochure.

How much luggage can I bring?

We recommend no more than two (2) bags per person. Each bag can be no bigger than 140cm x 60cm x 40cm and cannot weigh more than 32kg. It is important to remember that airlines may have different luggage restrictions.

Can my friends and family see me off?

Family and friends are welcome to share in your excitement and wave farewell from the cruise terminal. Due to security reasons, they will be unable to come onboard with you.

Welcome aboard!

We recommend that you pre-register your credit or debit card details online with ‘Cruise Personalizer’ or at embarkation for an express check-out. We accept Visa, MasterCard, Diners Club and AMEX. **A 1.1% service fee will be charged for guests settling their onboard account via credit card.** Debit cards act as a credit card, whilst using the available funds in your bank account. When using credit or debit cards, we obtain pre-authorisations and some banks hold these for up to 30 days. This may appear as a double charge to your credit or debit card until your bank releases the hold.

If you do not have a credit or debit card, you can activate your onboard account with cash or traveller’s cheques, by paying a minimum deposit of AUD300 (or USD300 according to ship currency) per person. On ships with USD onboard currency, USD, CAD, GBP and EUR currencies are also accepted (please refer to question ‘What is the currency onboard?’)

The booking will revert to a different fare and the remaining guests will need to pay the difference in cost, if any. Changes can only be made up to 48 hours before departure.

This means that You will not be offered a complimentary upgrade to a higher priced category, if one was to become available. Please note that Your specific stateroom number and bedding configuration can still be changed for operational reasons, including when the number of people booked in the stateroom is less than the number of beds in the stateroom.

In addition, when a booking is made and a specific stateroom number is not selected (known as a ‘Guarantee’), the stateroom will be allocated at Our discretion in the category booked, or a higher priced category, at a later date.

13. Travel Insurance

We strongly recommend You purchase comprehensive international travel insurance at the time You pay Your deposit. As Australian Medicare and New Zealand Accident Compensation Corporation do not cover Your travel onboard, it is important that international travel insurance is purchased for all voyages (including domestic Australian itineraries which do not visit international ports). If You do not purchase travel insurance, You may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

14. Cancellation and Refunds

Although We would love to see You onboard, We understand that plans can change. Should You need to cancel Your booking, We ask that You notify Your Travel Agent or Our Contact Centre at Your earliest convenience. The refunds or cancellation charges that will be payable depend on the departure date of Your cruise or land and sea holiday and the amount of notice You give Us, as follows:

15. Princess EZair® Bookings, Payments and Cancellations

(a) Bookings

We act as agent for the airline carrier in making Your flight booking through the Princess EZair® tool.

It is important that You are familiar with Your airline’s terms and conditions, including important liability limitations. IATA Conditions of Contract are available at https://www.iatatravelcentre.com/e-ticket-notice/1.htm

(b) Fares

You have the option of booking Restricted Air or Flexible Air. Prices are per person inclusive of all flight taxes and fees except locally payable airport taxes. You should check baggage restrictions with Your airline as fees may apply.

(c) Restricted Air

Changes are not permitted for Restricted Air bookings. In accordance with the terms and conditions of Your airline, any changes, including name changes will result in cancellation without refund and require rebooking which may be subject to higher fares. Failure to check in will result in cancellation of Your flights, including Your return flight.

(d) Flexible Air

In accordance with airline policy, name changes will not be permitted and will require cancellation and rebooking, which is subject to availability and possibly higher fares. Failure to check in will result in cancellation of Your flights, including Your return flight, in accordance with airline policy. The following cancellation charges apply to Flexible Air.

Days prior to flight departure	Cancellation Charge
46 days or more	Full refund
45 days or less	100% of total airfare

(e) Payments

Payment for Restricted Air is required at time of booking and must be made by credit card. Payment for Flexible Air is due at the final payment due date of Your cruise.

If You book Flexible Air after the final payment date of Your cruise or if you have fully paid for your cruise, You will be required to pay at the time of booking by credit card.

Service fees for credit cards, per transaction, are 1.1% for Visa and MasterCard and 2.75% for American Express and 2.3% for Diners Club cards. For PayPal transactions, a 1% service fee applies. There is no service fee for debit card or BPAV payments. Service fees are subject to change and will be advised at the time of payment.

The total amount payable for Your booking, including any applicable surcharges will be advised to You before You proceed with payment.

(f) Changes and Cancellations

Please note that cancellation of Your air booking does not result in cancellation of Your cruise. If You also wish to cancel Your cruise please refer to the ‘Cancellation and Refunds’ section of the terms and conditions applicable to Your cruise. Cancellation of Your cruise will result in the cancellation of Your air. The guest who appears on the flight booking must be the guest who travels on the cruise associated with the flight.

(g) Late Arrival Protection

Booking through Princess EZair® offers You ‘Late Arrival Protection’. In the event Your flight is delayed, and You are unable to meet the ship in time for embarkation as a result of the delay, We will cover the cost of a replacement commercial flight to the next available port to meet the ship.

Please note, Late Arrival Protection only covers airline delays, it does not cover You if You miss Your flight for any other reason. Additionally, if no replacement flight is available due to circumstances such as a severe weather event or natural disaster We will not be required to provide a replacement flight.

Late Arrival Protection will not cover any additional costs such as meals and accommodation as a result of airline delays. Additionally, as airline delays are outside Our control, Your cruise fare will not be reimbursed in the event You miss part or all of Your cruise. For this reason, We strongly recommend You take out comprehensive international travel insurance.

16. Pregnancy

Guests who are pregnant at the commencement of their cruise are required to supply a physician’s ‘fit to travel’ note, including Your estimated due date, prior to embarkation. We are unable to accept any guests who will have entered their 24th week or later at any time during the cruise.

17. Minimum age to travel

Royal Princess®, Majestic Princess®, Diamond Princess®, Crown Princess®, Grand Princess® and Coral Princess® cruises departing and returning to Australia.

To ensure there is suitable supervision, there needs to be at least one guest 18 years or older in each stateroom. However, to accommodate families cruising together, children may occupy a separate stateroom to their parent/legal guardian, providing one child is 16 years or over.

For cruises departing from an Australian port between 1 November and 7 January, We will permit a quota of 20 guests per cruise who are under the age of 19 and not accompanied by a responsible adult. Once this quota is filled, We will require guests who are under the age of 19 to travel in the same room as a responsible adult 19 years or older.

In addition, from 8 January to 31 January, We will permit a quota of 60 guests per cruise who are under the age of 19 and not accompanied by a responsible adult. Once this quota is filled, We will require guests who are under the age of 19 to travel in the same room as a responsible adult aged 19 years or older.

We can advise You at the time of booking whether the limit applies to Your booking. Princess Cruises can waive the responsible adult requirement at its discretion. Any requests for review of a waiver application decision can be made by contacting Princess’ Customer Service Team.

In determining waiver requests We will take into account, the risks of an unauthorised event occurring, the risks of secondary supply of alcohol to minors or any other risks of excessive behaviour. The responsible adult is accountable for guests under 19 years of age in their stateroom for the duration of the cruise, and the ‘Travel Restrictions and Rights of the Captain’ under clause 32 will be applied to anyone who displays disruptive behaviour.

All other Princess Cruises® ships

To ensure there is suitable supervision, there needs to be at least one guest in each stateroom aged 21 years or older. In order to accommodate families cruising together, children may occupy a separate stateroom to their parent/legal guardian, providing one child is aged 16 or over.

18. Children & Teenagers

Children love to cruise and Princess Cruises® welcomes them onboard. Due to limited neo-natal facilities onboard and at the destinations We visit, the following minimum ages apply:

Itinerary	Minimum age at date of sailing
<ol style="list-style-type: none">Transocean crossings (Atlantic, Pacific, Indian, Antarctic, Arctic, etc.) and remote itineraries where there are more than two consecutive sea days. Any other itinerary which may in the opinion of the Medical Department present a significant risk to infants between 6 and 12 months of age requiring emergency medical care - <ul style="list-style-type: none">This would include World Cruises (excluding coastal segments), South America, Panama Canal, crossing the Tasman Sea (Australia-New Zealand), South Pacific Islands, including Hawaii-Tahiti (excluding fly cruising to French Polynesia with local cruising only). <p>All requests for an exception to the policy for infants between 6 and 12 months must be approved by the Chief Medical Officer.</p>	12 months
All other itineraries	6 months
Escorted Land and Sea Holidays	5 Years

In addition, infants aged between six (6) months and three (3) years must remain with their parent/legal guardian at all times.

For the safety and enjoyment of all onboard, there are limits on the number of children and teenagers that can be carried within different age groups. The age of the passenger on the day they board the cruise, is the age We use for the entire holiday. We can advise You at the time of booking whether We are able to accept bookings for children on the cruise You have chosen. Parents/Legal Guardians are responsible for children at all times. If a child displays dangerous or disruptive behaviour, the ‘Travel Restrictions and Rights of the Captain’ will be applied to both parent/legal guardian and child.

Children’s access to pools and spas may be restricted and adult supervision is required. Prams and strollers must be collapsible and capable of being stored in Your stateroom.

19. Children Centres

Children less than three (3) years of age are welcome to use the Children Centres’ facilities under the direct supervision of their parent/legal guardian. To attend the Children Centres without a parent/legal guardian, children need to be three (3) years of age or over and toilet trained.

Use of the Children Centres requires daily registration and entry is on a first-come-first- served basis as places are limited. On all ships group child minding for children three (3) to 12 years is available between 10pm and 1am only, for a charge.

20. Visa’s Passports and Vaccinations

When booking a cruise visiting an international port, You are responsible to ensure You have all necessary visas, vaccinations and travel documents, including a passport that is valid for the minimum duration required based on the countries You are visiting. Your passport must be valid for a minimum of six months beyond the date of Your cruise return and have sufficient blank pages for entry and exit stamps and visas.

Without the necessary passport, visas and/or vaccinations, local authorities may deny You boarding, prevent You from going ashore, issue a fine or deny the ship entry into the port. It is Your responsibility to ensure You have all the necessary documentation which permits You to travel, including visas for ports at which You do not intend to disembark. We will not provide You with a refund or reimbursement for any expenses or losses incurred as a result of Your failure to comply with these requirements.

In addition, travel on a round trip cruise from Australia will not be recognised by Australian Immigration to have left Australia and therefore the cruise cannot be used to revalidate an Australian visa.

21. Identification Requirements for Domestic cruises

For Australian domestic voyages (cruises that do not visit a foreign port), a valid passport or government issued photo identification is required (QLD 18+ cards can be used as a form of ID accompanied by a copy of a birth certificate). For Australian domestic cruises, a current Medicare card can be used for guests under 18 years of age. For New Zealand domestic voyages, an original or certified copy of the child’s birth certificate or a school pass with photo will be accepted for guests under 18 years of age. All identification documents must be original.

22. Prohibited items

To ensure a safe and enjoyable holiday for all Our guests, items which may pose a risk to the safety of guests and crew are not allowed to be brought onboard Our ships including: Irons, kettles, coffee machines, baby bottle warmers, candles, heating devices, illegal drugs, illicit substances, flammable liquids, weapons (including knives of any kind), hoverboards (Flyboards or similar devices), remote control devices of any kind, such as drones, and power boards with surge protection devices. In addition certain electrical items and personal grooming devices, such as power boards (without surge protection devices), laptops, phone and camera charges, hair dryers and straighteners, curling irons and shavers may be allowed onboard if they are deemed to be in a safe and proper working condition, and used with proper caution. However, if such devices are deemed to pose a hazard, they will be confiscated and available for collection at the end of the cruise.

All luggage, including hand and check-in, will be x-rayed at embarkation. In addition, it may be necessary for Our staff and other parties, such as port and government agencies, to search You and Your luggage. You agree to allow such searches. Any prohibited items or items which may pose a quarantine or safety risk found in hand or checked in luggage will be confiscated and, if appropriate, will be available for collection at the end of the cruise. If the confiscated item is not collected at the end of the cruise, You must contact Us within three (3) days of disembarking to claim the item if Your item is appropriate to be returned. If You do not contact Us within this time Your item will be destroyed.

All items purchased during Your cruise will be subject to applicable quarantine clearance procedures by local authorities on disembarkation.

We can deny boarding or disembark any person in possession of any weapons or illicit substances. We may also hand these items over to law enforcement agencies.

23. Onboard Purchases

All Princess Cruises’ ships operate on a ‘cashless’ system. When You check in, You will be asked to present a credit or debit card (Visa, Mastercard or Amex) which will be associated with Your onboard Medallion. The Medallion is what You will use onboard for all onboard purchases. As an alternative to using a credit or debit card, You can add funds to Your onboard account using eftpos or cash.

Where You do use a credit or debit card, We will obtain pre-authorisations from Your bank for the amounts spent on each day of Your cruise. These amounts are not actual charges, although they may appear like a charge on Your bank account or statement, they are holds to ensure You have sufficient funds available to settle Your account. Please be aware that while they are not actual charges, the pre-authorisations will be deducted from Your available bank account/credit card balance.

At the end of the cruise, the final amount of Your onboard account will be charged to Your debit or credit card in full. Once the full amount is charged to Your card, We will contact the bank to have the pre-authorisations released; however some banks may hold these for up to 30 days. To help speed up this process We recommend getting in contact with Your bank or card issuer before Your cruise to advise them of Your travel plans.

Service fees apply to all onboard credit card transactions. Service fees for credit cards, per transaction, are 1.1%. There is no service fee for debit card payments. This fee will be charged once only at the end of the cruise.

24. Alcohol & gambling

We are committed to the responsible service of alcohol. There may be times when We consider it appropriate to refuse the service of alcohol to a guest for any reason. To consume alcohol or gamble onboard, the following minimum ages and corkage charges apply:

	Departing from and returning to Australia/ New Zealand and cruising China, Europe and Singapore, unless voyage falls into column 3	Japan	All other Princess Cruise departures - including sectors of longer international relocation voyages which may otherwise fall into columns 1 or 2
Minimum age	18 years	20 years	21 years
Corkage (per bottle)	AU\$30/US\$20	AU\$30/US\$20	AU\$30/US\$20

*Corkage charges apply to wines and/or champagne brought onboard and consumed in the dining room or alternative restaurants, including additional bottles irrespective of where they are intended to be consumed, as outlined in the Bringing Alcohol Onboard section below. Corkage charge is in the operating currency on the ship.

Government issued photo identification may be requested (Queensland ‘Adult Proof of Age Card’ will be accepted; however the older version of Queensland ‘Card 18+’ will not be accepted).

Bringing Alcohol Onboard

On the day of embarkation, guests are permitted to bring one 750ml (no larger) bottle of wine or champagne onboard per voyage, which will not be subject to a corkage fee if consumed in Your stateroom. Additional wine or champagne bottles are welcome, but will incur a \$20 corkage fee each, irrespective of where they are intended to be consumed. Liquor, spirits, or beers are not permitted. Any beverages purchased during the cruise at any port of call will be collected at the gangway for safekeeping and will be delivered to Your stateroom on the last day of the cruise. Princess Cruises is not responsible for any alcoholic beverages confiscated by local security staff. These items are not eligible for monetary refund or replacement.

25. Smoking

Smoking is not permitted indoors on any of Our ships. This includes in staterooms and on private balconies. For those who smoke, there are designated outdoor areas where smoking is permitted and this information will be communicated to You onboard. The use of electronic cigarettes is allowed within the confines of the guest’s stateroom (balcony not included) and within designated smoking areas only.

26. Lost or damaged luggage and personal belongings

Please make sure that all valuable and important items, such as jewellery, medicines, fragile items, and camera/computer/electrical equipment are carried in Your hand luggage and not packed in Your main luggage/suitcase or left unsecured in Your room or elsewhere onboard ship. Once onboard, all valuables and important items should be stored in Your in-room safe.

In the event You lose any items onboard, please notify Reception immediately. If You have already disembarked please contact Our Customer Service Team. Due to hygiene reasons, any unclaimed clothing items will be destroyed at the end of the cruise. All other items not claimed within 3 weeks of the cruise return will be donated to charity or destroyed.

Where Consumer Laws and other laws permit Us to exclude Our liability, We will not be liable for loss of, or damage to, any luggage or other belongings, unless caused by Our proven negligence or failure to provide services with due care and skill or that are reasonably fit for purpose.

27. Your health

You warrant that You are medically and physically fit for travel, and that such travel will not endanger Yourself or anyone else.

Our medical centres are not required to be and are not equipped to the same standards as a land based hospital nor are they designed for the provision of extensive or continuing treatment. It is up to You to ensure that if You require doctor’s clearance to travel that You obtain that clearance. We may request that You provide such clearance to Us at any time.

If a guest has a condition that We decide may seriously affect the enjoyment, health or safety of themselves or any other person onboard, We can refuse or cancel a booking. Such decisions will be made giving reasonable consideration to Your circumstances and We will advise You of Our decision as soon as possible. Where Your booking is cancelled You may be entitled to a refund.

Guests with restricted or limited mobility and those with medical conditions must be self-sufficient or travel with a carer or someone who can assist with day-to-day activities. Our crew and medical staff are unable to act as personal carers.

Guests who are bringing a wheelchair or mobility aid onboard must advise Us at the time of booking. You must provide Your own wheelchair or mobility aid and must ensure it can be stored inside Your cabin. Limited areas of the ship may not be wheelchair accessible.

Please note that some ports can only be accessed using the ship’s water shuttles. Water shuttle boats and water shuttle ports are generally not accessible to guests confined to a wheelchair or with significant mobility impairments.

28. Onboard medical centre

Each ship has a medical centre that is staffed by qualified, licensed doctors and nurses, who, in addition to routine clinic hours, are available 24 hours a day in the event of an emergency. All of Our medical centres are well equipped to handle most medical conditions and are accredited to international healthcare quality standards.

All cruises on Our ships are outside the scope of Australian Medicare, New Zealand Accident Compensation Corporation and private health insurance. Consultations, treatments and medication are charged at private rates and must be paid by You and claimed through Your international travel insurance.

While all of Our medical centres are equipped to handle many medical conditions, there may be occasions where it becomes necessary to disembark or evacuate a guest to receive further essential medical treatment. To ensure guest safety, this decision will be made by the onboard doctor and the Captain.

All of Our medical centres are only for medical needs arising onboard and cannot cater for treatments that You know You will require while on holiday.

We are not a healthcare provider and may not be held liable for the sickness, injury or death of any guest arising from any advice, treatment, care, services or any omission by medical staff. These medical providers exercise their own medical judgement and expertise.

29. Other service providers and arrangements onshore

While We specialise in cruising holidays, You may choose to book other services with Us such as flights, accommodation, transfers and shore excursions. We can assist You in making these arrangements; however, We act only as a booking agent. The service providers are solely responsible for the information and service offered and their conditions will apply. Where possible, We will assist in addressing any concerns You may have with the service providers. Any arrangements made by or for You are Your responsibility and entirely at Your own risk.

Please note, airline terms and conditions may require full non-refundable payment prior to Princess Cruises’ normal payment conditions.

In the event that You go ashore You do so at Your own risk. You are responsible for adhering to the local laws, regulations and customs. We take no responsibility for any injury or loss that occurs while You are not onboard the ship.

30. Shipboard Environment

There are some inherent features of travel by cruise ship which You should be prepared for. Some noises and vibrations are associated with the normal operation of the ship. Maintenance may occur in certain areas of the ship while You are onboard which may affect access to these areas. Weather conditions may also require Us to restrict access to certain areas of the ship for safety reasons.

31. Ship & itinerary changes

We will do everything We reasonably can to make sure everything goes according to plan; however, sometimes changes can happen that may affect Your holiday experience. This could include weather, mechanical difficulties, civil unrest or any other unforeseen circumstances.

In addition, We may charter all or part of the ship, or remove the ship from service where this becomes necessary. We may change the itinerary, ship or cancel the cruise due to operational or commercial requirements. We will notify You of these changes as soon as we can. If We are forced to cancel Your cruise for any reason prior to departure We will provide a full refund. Since Your itinerary is not guaranteed, please do not make any important arrangements or meetings based on the proposed itinerary.

Changes within Our control

Where We make a significant change to the ports in Your itinerary prior to departure and this is due to a circumstance within Our control, for example for operational or commercial requirements You will have the choice of:

- the new itinerary;
- an alternative cruise of comparable standard, if available; or
- cancelling the cruise for a full refund of Your fare paid.

For the purposes of this clause, ‘significant change’ means a change to the city of departure or disembarkation, or to the majority (by number) of the other ports in Your itinerary.

Changes outside Our control

If it is necessary to change the itinerary due to safety, maritime law, severe weather, to protect human life or health or other factors outside Our control, We will attempt to offer a revised itinerary as close as possible to the original itinerary. We will not provide any compensation in connection with the revised itinerary unless Consumer Laws require otherwise.

32. Travel Restrictions and Rights of the Captain

During the cruise the Captain will exercise complete control over the ship and take such actions as he or she thinks necessary to preserve the safety and integrity of the ship and the comfort, safety and enjoyment of the guests and crew.

You are responsible for ensuring that no travel restrictions apply to You. If police or any other authority in any jurisdiction notify Us of, or We otherwise become aware of, any matter that reasonably causes Us to believe Your presence onboard presents a risk to Your own health or safety or the health or safety of other guests and crew, We, or the Captain, may deny You boarding and may refuse or cancel any bookings from You.

Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person onboard, the Captain has the right to confine, sedate or disembark the guest. In such cases, We are not responsible for any expenses including Your return home. In addition, You will not be entitled to any refunds. While the Captain will always act reasonably in these circumstances, You accept that the safety, well-being and enjoyment of everyone onboard, comes first.

33. Leaving the cruise early

If You are required, or choose, to leave the cruise for any reason (unless caused by Our proven negligence or failure to provide services with due care and skill and that are reasonably fit for purpose), We are not responsible for any expenses, including Your return home. This also applies if You do not return to the ship in time for sailing after a port visit. If We assist You with any costs, You will need to repay Us on Your return. In addition, You will not be entitled to any refunds.

34. Princess Local Partnership Program

Princess Cruises is committed to supporting communities in the destinations We visit. As part of Our Princess Local Partnership Program, a \$2 donation will be automatically added to the onboard folio of each guest aged 18 years or over on all New Zealand itineraries (including Australia & New Zealand combined itineraries). The donation will be used towards community based initiatives in the destinations We visit. This is an optional donation and You may remove it from Your account at the Guest Services Desk before You disembark. Visit the Princess Cruises website for more information on our latest Princess Local Partnership Initiatives.

35. Limitation of liability for Recreational Services

Save for liability for significant personal injury caused by Reckless Conduct by Us or Our servants or agents, We exclude liability for all Excluded Recreational Liabilities arising out of the supply of Recreational Services.

36. Time limits for claims

You agree to use all reasonable efforts to report any complaints or claims onboard, or otherwise bring the matter to Our attention as soon as possible. You acknowledge that failure to bring any matter to Our attention whilst onboard will limit Our ability to investigate the matter following Your cruise.

Where Consumer Laws and other laws permit Us to exclude Our liability, We will not be liable for:

- loss of, or damage to, any luggage or other belongings
- sickness, injury or death, unless caused by Our proven negligence or failure to provide services with due care and skill and that are reasonably fit for purpose.

In addition, Our liability will be reduced in proportion to any negligence or fault on Your part.

37. Severability

These Booking and Passage Conditions must, so far as possible, be interpreted and construed so as not to be invalid, illegal or unenforceable in any respect, but if a provision, on its true interpretations or construction is held to be illegal, invalid or unenforceable:

- that provision must so far as possible, be read down to the extent that it may be necessary to ensure that it is not illegal, invalid or unenforceable and as may be reasonable in all the circumstances so as to give it a valid operation; or
- if the provision or part of it cannot effectively be read down, that provision or part of it will be deemed to be void and severable and the remaining provisions of these Booking and Passage Conditions will not in any way be affected or impaired and will continue notwithstanding that illegality, invalidity or unenforceability.

38. Choice of law and jurisdiction

This contract is governed by the laws in force in New South Wales. You agree that any action You bring against Us will be brought in New South Wales, Australia.

If You have a claim against Us, You agree only to bring action against Us and not any of Our related bodies corporate as defined in the *Corporations Act 2001(Cth)*.

39. Privacy

Privacy laws safeguard Your personal details.

Security Cameras

For the safety and security of Our guests and crew, We use Closed Circuit Television (CCTV) to monitor and record public areas onboard all Our ships. In addition, shipboard crew may use body mounted cameras for security purposes. This footage and accompanying audio recording is confidential and is not available for viewing, unless required or permitted by law. We are not responsible for any consequences arising from the viewing or other use of this footage.

MedallionClass®

Where available on MedallionClass ships and at certain resorts or destinations, We collect information from and linked to Your use of your Medallion wearable, as well as information collected through OCEAN® websites and applications, including MedallionClass, PlayOcean®, and Ocean® Casino (together with MedallionClass ships and destinations, the "MedallionClass Services"). Your use of the Medallion during Your holiday, and from Your booking and interactions with Our services on-board and in select resorts.

The wearable Medallion allows us to collect Your position and movement information through sensors and readers located throughout Our MedallionClass ships and in certain resorts and properties which emit a signal that detects the presence of the Medallion. This allows Us to gather information about Your position and location within the ship and Your movements on-board. The Medallion technology is not a global positioning system and cannot detect the precise geolocation (lat/long) of an individual. The Medallion is linked to Your other personal information associated with Your registration and traveller profile. We use this information to enable certain personalised features and Services online and during Your holiday. For example, We use this information to locate You during your holiday and enable You to locate other members of Your family, to contact You and deliver requested Services to Your location (e.g., food delivery), to send You content or messaging relevant to Your location and to customise Your interactions with Our services.
